SUMMARY OF YOUR TERMS AND CONDITIONS OF HIRE*

** General Information, in accordance with the Order dated 17 March 2015 regarding precontractual information for consumers and publication of prices of vehicle rental services*

- **Terms and Conditions relating to length of time driver's license has been held :**

The minimum period for holding a French driver's license is one year. This length may vary according to the category of Vehicle rented. All the details are set out in the table in Article 2 *"Who can rent and who can drive?"*.

- **Information regarding rental prices and possible surcharges applicable in train stations and airports :**

Our tariffs are set mainly according to the length of your rental, and the category of Vehicle rented. Surcharges may also be applied if You collect your Vehicle from a Europcar agency at a train station or airport. You will find all the information to enable You to understand the pricing structure applied in the Recommended Tariffs Guide attached to Your confirmation email (if a rental reservation is made online) and available from a Europcar agency and/or on the Europcar website.

- **How fuel/electricity is billed :**

The Vehicle must be returned with the same amount of fuel as that stated in your rental agreement when leaving the rental agency. Before your departure from the rental agency, we advise You to confirm if the amount stated in Your rental agreement corresponds to that indicated on Your Vehicle's fuel gauge. Any difference in the amount of fuel in relation to the amount stated in Your rental agreement must immediately be flagged at the agency from which You depart.

Any Vehicle returned with an amount of fuel lower than that present upon departure from the agency will incur a refuelling charge the amount of which is mentioned in the Recommended Tariffs Guide in addition to the price of the fuel, which is billed according to the price per liter shown at the Europcar Agency on the day of return.

Europcar also offers an additional service allowing You to avoid having to fill up before returning your Vehicle. For more details, please see article 18 *"What is the fuel policy?"*.

In the case of rental of an electric vehicle, Europcar will provide you with a vehicle with a battery charged at 80 (eighty) % at the pick-up time. It is your responsibility to recharge the vehicle for the duration of your rental. The vehicle must be returned with the same amount of electric charge as indicated on your rental agreement at the time of pick-up of the vehicle.

When leaving the Europcar Station, we recommend you to check that the battery charge level of the vehicle corresponds to the one indicated on your rental agreement. Otherwise, please report this to the present Europcar Staff before leaving the station.

If you return the vehicle with a battery charge level lower than the one at the time of pick-up of the vehicle, you are liable to be charged for an additional Electricity recharging service charge, whose price is mentioned in the Recommended Tariffs Guide.

If you are renting a hybrid (gasoline/electric) Vehicle, the Vehicle will be returned to you upon departure from the Rental Agency with a full tank of fuel. You will be required to return the Vehicle with a full tank of fuel. Concerning the electricity part, Europcar will make its best efforts to provide you with a vehicle charged at 80 (eighty) %. However, we do not guarantee any battery charge level at the time of pick-up of the vehicle. It is your responsibility to recharge the vehicle for the duration of your rental. No minimum charge level will be required on return of your Vehicle.

If you return the Vehicle with less fuel than the amount of fuel at the time of departure from the rental agency, you will be charged a refueling fee, the price of which is mentioned in the Recommended Rates Guide in addition to the price of fuel, which is charged according to the price per liter displayed at the Europcar agency on the day the Vehicle is returned.

The Renter or any additional driver undertakes to comply in all circumstances with the French Highway Code and more generally with the regulations in force when driving and using the rented vehicle for which he/she is responsible by virtue of these Conditions and the Rental Agreement.

The renter or any additional driver is personally responsible for the payment of all fees, taxes and sums due under the regulations relating to tolls and parking of the rented vehicle.

The Renter shall be personally responsible for the payment of all fines and fees relating to the driving and use of the rented vehicle as well as for all penal, administrative and pecuniary consequences that may result from the failure to comply with any applicable regulations (in particular parking regulations) concerning the rented vehicle during the rental period, until the keys of the rented vehicle are recovered by the agency.

In cases where Europcar France is required to pay fines and fees due by the Renter or any additional driver according to the preceding paragraph, the Renter expressly authorises Europcar France to deduct the amount corresponding to the amount of the fine or fee and, if applicable, the surcharges due as a result of the non-payment of such fines or fees by the Renter or any additional driver.

Europcar France undertakes to inform the Renter of any parking fee notified to him in relation to the rental period, sending him a copy of the corresponding notice to enable the Renter, if necessary, to file an administrative appeal. If the Renter intends to contest the validity of the charge, Europcar France shall, upon request, provide the Renter with the information and documents necessary to contest the charge before the competent authorities.

The Renter expressly acknowledges that his decision to contest the charge shall not prevent Europcar France from deducting a sum corresponding to the amount of the charge and the management costs as soon as he is notified of the charge.

Designation of the Renter and transmission of his details in the event of a breach of the Highway Code to the French authorities and highway company operators.

Europcar France shall, by law, be liable to pay any fine relating to traffic offences recorded without intercepting the vehicle, unless it provides the authorities with information enabling the renter or any additional driver responsible for the said offences to be identified. The renter is hereby informed that Europcar France will be required to designate him/her to the authorities and motorway company operators (*) in accordance with the provisions of Articles L. 121-2, L. 121-3 and L. 121-6 of the French Highway Code.

(*) Particular attention will be required on the part of the Renter when traveling on motorways equipped with tolls without barrier. He must ensure that he has paid the toll fee within 3 days following the passage of this barrier-free toll. After this period, the motorway operator will issue a statement of non-payment by a sworn agent which will result in a payment notice being sent directly to Europcar France, which will then process the payment according to the aforementioned terms. In this case, the Renter will be liable for the toll charge, the fine applied by the Government and the processing fees applied by Europcar.

In order to do so, Europcar France will transmit to its service provider SAFO, which assists it in the management of fines, data concerning the identity of the renter or any additional driver as well as the following information: surname, first name, date and place of birth, address, driver's licence number and date and authority of issue.

Europcar France, through the intermediary of its Fines Department, will also provide the competent authorities with a copy of the rental agreement or any other element that evidences the rental of the vehicle to the renter or any additional driver in order to enable his/her identification.

The renter is hereby informed that in this context, information may be communicated to the police authorities by Europcar France. The renter must ensure that the information concerning his personal details is up to date at the time the Rental agreement is drawn up and undertakes, where applicable, to update such information.

Contesting fines issued by the competent authorities

In application of the provisions of articles 529-2 and 529-5 of the Code of Criminal Procedure, the renter or any additional designated driver will have the possibility, upon receipt of the ticket, to approach the competent authorities to contest the reality of the offence which is imputed to him.

In order to contest, the renter or any additional driver will follow the procedure provided by the prosecuting authority.

Europcar France informs its renters that the issuing and sending of fines is not its responsibility but that of the competent authorities.

Designation of the renter and transmission of his details in the event of a traffic offence to the foreign authorities.

Europcar France shall, in accordance with the regulations in force, be liable to pay any fine relating to traffic offences recorded abroad without intercepting the vehicle, unless it provides the foreign authorities with information enabling the renter or any additional driver responsible for the said offences to be identified. The renter is hereby informed that Europcar France will be required to designate him/her to the foreign authorities in accordance with the framework set forth in European Directive (EU) 2015/413 and the provisions of Article L. 330-2 of the French Highway Code.

In order to do so, Europcar France will transmit, through its service provider SAFO which assists it in the management of fines, data concerning the identity of the renter or any additional driver as well as the following information: surname, first name, date and place of birth, address, driving licence number and date and authority of issue.

Europcar France, through the intermediary of its Fines Department, shall also provide the competent authorities with a copy of the Rental agreement or any other elements evidencing the rental of the vehicle to the renter or any additional driver in order to enable the renter to be identified.

The renter is hereby informed that, in the context of information that may be communicated to the authorities by Europcar France, he/she must ensure that the information concerning his/her personal details is up to date at the time the Rental agreement is drawn up and undertakes, if necessary, to update such information.

Contesting fines issued by foreign authorities

According to the framework set by the European Directive (EU) 2015/413, the renter or any designated additional driver will have the possibility to approach the competent foreign authorities to contest the reality of the offence attributed to him/her.

In order to contest, the renter or any additional driver will follow the procedure provided by the foreign authority prosecuting him.

10) WHAT SHOULD I PAY ATTENTION TO WHEN PICKING UP THE VEHICLE?

The payment card used for your booking online must be presented at the station agency at the pick-up time. The surname and first name of the cardholder should be the same as the surname and first name of the driver as defined in Article 2 b) *Who can drive the Vehicle*.

If You benefit from a discounted rate, You should automatically provide proof of this at the station agency. In the absence of proof, Europcar cannot guarantee the application of the discount to Your booking.

When You pick up the Vehicle from Europcar You will be asked to sign, among other things, a section of the Rental Agreement that describes the Vehicle's condition at that particular time.

If You notice any apparent defect or Damage that is not described on the Rental Agreement then You should ensure a note is made on the document and that both You and the Europcar agent sign the change made to this section.

For tourism vehicles only, where it isn't possible to check pre-existing damage to the Vehicle and any Accessories at the time of pick-up, a grace period allows You to notify the pick-up station of any such damage :

- If the vehicle is picked-up before 8:00 pm : You must notify the pick-up agency of any such damage within 2 hours of the start of the Hire Period.

- If the vehicle is picked-up after 8pm : You must notify the pick-up agency of any such damage before 10am the next morning.

In compliance with the above conditions and outside the opening hours of the agencies, you must report this damage by email, signalement.dommage@europcar.com, specifying your contact details, vehicle registration, the number of your rental agreement, the description of the damage(s) and attach photographs of the damage(s)

Failure to request the above mentioned notice for this additional apparent defect or Damage, Europcar is entitled to assume that You have accepted the Vehicle in the condition set out on the Rental Agreement and to charge You for any new Damage that could be noted by You and the Europcar agent when the Vehicle is inspected at the time of its return.

11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

a) Return of the Vehicle during business hours of Europcar's agency

You should return the Vehicle to the Europcar agency, at the latest, on the date and time shown on the Rental Agreement. You may return the Vehicle to another Europcar agency (exception of our electric vehicles) for the cost indicated in the quotation sent to you.

Any unauthorized return of the Vehicle to another Europcar agency ("One way") may lead to your being billed for invoiced in the form of additional fees. For more information as to the amounts billed please see the Recommended Tariffs Guide attached to your confirmation email if you have made a reservation online which can be consulted in the agency and/or on the Europcar website.

The Rental Period will end when You return the Vehicle to the Europcar agency and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle prior to the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle return report.

Europcar cannot be held liable for any property and/or objects You may have forgotten in the Vehicle.

● Charge for early return of Vehicles

For prepaid reservations, no refund will be made in case of the early return of the Vehicle.

Regardless of the booking channel (reservation made online or directly at the station agency), Europcar may charge You a fee in the event of an early return of the Vehicle, i.e. the restitution of the vehicle before the end of the rental term.

The exact amount of this fee is stipulated in the Europcar Recommended Tariffs Guide.

Such charges correspond to the cost to Europcar due to the fact that we are not able to rent the Vehicle to another person during the remaining period of your commitment to Europcar.

b) "Out-of-hours" return Service

Europcar recommends returning the Vehicle during the opening hours of its agencies. However, to meet the specific needs of some customers, Europcar offers, in certain agencies, an additional "out-of-hours" service.

If You opt for this "out-of-hours" service, You accept that the Vehicle condition report may be drawn-up by the Europcar agent or its representative without Your presence and after drop off of the keys.

In agencies offering “out-of-hours” return services, the above-described procedure (see point 11)-a) above) was adapted to enable these agencies to offer this service in the best possible conditions.

In particular, You have to declare any incident and/or Damage that affects the condition of the Vehicle on the document that was given to You for this purpose when You picked up the Vehicle.

Depending on the available systems and the information You have received from Europcar, this document must be left in the Vehicle or returned with the keys in the “keys drop-box” provided for this purpose.

Please note that your Rental Agreement does not automatically end when You drop off the keys and that the Vehicle will remain in the parking space where You parked it until opening of the Europcar agency that will inspect the Vehicle and close out your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle in a space provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as recommended by the Highway Code. You must also leave the Vehicle registration papers in the glove box.

Providing that the Vehicle is inspected at a later stage – during opening hours of the agency – Europcar recommends that You take photographs of the Vehicle in order to retain evidence of its condition once it is parked and before the drop off of the keys. Please be aware that such photographs must clearly show the date and the time in order to be evaluated by Europcar.

Europcar cannot be held liable for any property and/or objects You may have forgotten in the Vehicle.

c) Return of the Vehicle during opening hours of Europcar’s agency with an inspection in your absence.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorized to inspect the Vehicle without your presence and to register your inability or refusal to take part in a mutual inspection.

The same Procedure as the one described above will apply (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date shown on the Rental Agreement, and if a period of 24 hours elapses during which You have not provided any news regarding the delay in its return, Europcar shall regard the Vehicle as having been unlawfully appropriated and will be entitled to file a complaint with the competent local authorities.

In such case Europcar will be entitled to :

- charge You an additional day for each rental day at the rental tariff in effect, plus a fixed fee of EUR 50 net per day during which the Vehicle is kept beyond the rental period, unless You can demonstrate that You no longer have the Vehicle at Your disposal through no fault of your own or that the non-return of the Vehicle resulted through no fault of Your own.
- claim from You compensation for all Damage and losses suffered by Europcar, and the fines, tolls, penalties or sanctions owed with respect to the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying the circumstances relating to a breach or criminal offence. Bill You for the administration fees if the Vehicle is returned late.
- Europcar may also start legal proceedings in order to claim the immediate return of the Vehicle. Please note that, in such case, protections and additional contractual services have no effect.

e) Use of applications and multimedia features accessible in the Vehicle

When You rent a Vehicle, Europcar may collect and process personal data concerning You and the designated Driver(s) (see section 21 below).

Depending on the Vehicle rented, the manufacturer may offer multimedia applications and/or functions accessible from the Vehicle's dashboard (e.g. diary, video and audio streaming applications, entertainment, messaging, etc.) and may also allow you to download your own applications and/or content.

When You choose to use these applications or functions, You are free to determine what information You wish to share via these applications. You are also solely responsible for resetting them before returning the Vehicle. In this respect, You are notably required to:

- disconnect Your accounts from the multimedia applications and features offered in the Vehicle;
- end Your sessions on these applications and features offered in the Vehicle;
- delete and purge all personal data concerning You from these applications and functionalities, including the dashboard, before returning the Vehicle.

Europcar accepts no responsibility if You fail to do this and cannot be held responsible for any subsequent use of Your accounts and/or access to Your data by third parties via these applications or features during a subsequent rental of the Vehicle.

For more information on the conditions under which multimedia applications and functionalities can be reset and Your data deleted, please consult the Vehicle manual available from the dashboard or the manufacturer's website. Europcar strongly advises You not to use these applications and/or functionalities if You are unable to delete all the information concerning You.

f) Abandonment of vehicle

If the Vehicle has been abandoned, that is to say it has been left outside a Europcar Agency (parking, city parking, roadside, motorway service area, etc.), thereby requiring Europcar to put in place a system allowing it to recover the Vehicle, You remain fully responsible for any damage that the Vehicle may suffer until its return to a Europcar agency, for any fines and will be charged a penalty, the amount of which is indicated in the Recommended Tariffs Guide.

12) DAMAGE TO THE VEHICLE

In the event of differences between the condition of the Vehicle as described when picking it up and that identified upon return, You may have to pay the amount as defined in the rules below).

a) Damage identified upon return of the Vehicle and in Your presence

If Damage is identified upon the return of the Vehicle when the inspection is made, in Your presence and in the presence of the Europcar agent or its representative, and if You acknowledge said damage by signing the statement of return of the Vehicle, Europcar will give You an assessment of repair costs that may be charged to You.

Repair costs vary depending on whether or not it is classified as Light Damage :

- Light Damage (minor damage caused to the Vehicle without altering its rental and capable of being driven in accordance with the rules of the Highway Code such as: light impact on windshield) is charged, in addition to Damage administration fees, according to the Light damage charges schedule and Vehicle loss-of-use costs.
- Any other Damage not included in the Light damage charges schedule mentioned above and / or any other serious Damage (i.e., significant Damage altering the Vehicle's rental and requiring its temporary loss-of-use for repair such as: damage to bodywork), will be evaluated by an independent expert and charged according to the expert's report or a cost estimation made with an independent auto-repair garage. Damage administration fees, in line with the Recommended Tariffs Guide, and Vehicle loss-of-use costs, will also be added to the amount of serious Damage assessed.

- Damage involving third parties: any damage resulting from an accident with a third party will be charged to you only if your liability is incurred and confirmed by our Insurance Company.

You will be invoiced for the cost of repairs — within the limits of the excess amount — and for administrative fees for processing damages, for all vehicles used throughout the rental period. The excess amount will be applied to each item of damage produced to one single vehicle under the same rental contract, following distinct events, a collision of the attempted theft of the same, or upon loss of the vehicle should it be beyond repair or should it prove impossible for us to recover the vehicle following theft.

If You challenge the Damage and the invoicing thereof by refusing to sign the statement of return of the Vehicle, Europcar will apply the procedure described in Article 12)-e) below.

b) Damage identified in Your absence

If Damage is identified during the inspection of the Vehicle by a Europcar Agent or its representative in Your absence, Europcar will send to You the following documents :

- o statement of return of the Vehicle describing all Damages identified
- o pictures of said Damages
- o An estimate (quote) of the costs of repair of said Damages that will vary depending of the nature of the Damage (see above, article 12)-a) paragraph 2) and administration fees for the treatment of the Damages and the Vehicle loss-of-use.

You will be able to challenge Damage identified and the invoicing thereof within fourteen (14) days after the sending (by e-mail or regular letter) of said documents.

If You fail to challenge or provide supporting documents within the above-mentioned period of fourteen (14) days, Europcar reserves the right to invoice You the cost of the repairs identified.

Europcar also gives You the opportunity to obtain a second expert opinion, at Your own expense. The automobile expert must be selected from the independent experts' association, which you will find at the following link : <http://www.securite-routiere.gouv.fr/connaitre-les-regles/le-vehicule/la-liste-nationale-des-experts-automobile>.

You will be invoiced for the cost of repairs — within the limits of the excess amount — and for administrative fees for processing damages, for all vehicles used throughout the rental period. The excess amount will be applied to each item of damage produced to one single vehicle under the same rental contract, following distinct events, a collision of the attempted theft of the same, or upon loss of the vehicle should it be beyond repair or should it prove impossible for us to recover the vehicle following theft.

c) Common provisions

Please note that depending upon the Damage suffered by the Vehicle and the type of protection You have purchased with Europcar (see the Europcar Insurance & Waivers Provisions attached to Your confirmation email or available from all Europcar stations agencies and/or on Europcar's websites) You may or may not be charged for the full or partial amount of the cost of repair.

In any case, You will be able to contest any Damage and the invoicing thereof pursuant to the provisions of article 23 *"What happens in case of dispute related to my rental?"*.

13) WHAT IS EXPECTED OF ME REGARDING VEHICLE MAINTENANCE?

During Your rental, You must take all necessary protective measures to keep the Vehicle in the same condition as that in which You have taken possession.

You must remain alert to any signal from the warning lights on the Vehicle's dashboard and take any necessary protective actions.

Any modification to or mechanical work on the Vehicle are forbidden without Europcar's prior written authorization. Should this rule be breached, You must bear the duly justified costs of restoring the Vehicle in the same state in which You have taken possession.

You will be liable towards Europcar for any detrimental consequence arising out of any infringement to the abovementioned maintenance obligations.

If You rent an Electric Vehicle, You must also use only the cables supplied by Europcar for recharging. Any recharging carried out with any other cable may engage Your responsibility in the event of damage arising as a result.

If You use a cable that allows recharging from a domestic socket, You must ensure that your electrical installation complies with the standards in force and the requirements defined by the car manufacturer before proceeding with any recharging. Failing this, and in the event of damage, You will be held liable.

14) WHAT SHOULD I DO IN CASE OF ACCIDENT, MECHANICAL BREAKDOWN, OR THEFT OF THE VEHICLE?

In case of mechanical breakdown or accident which prevents You from continuing your travel and/or obliges You to stop the Vehicle, You are provided with an assistance service in France, included in the price of Your rental. The terms and conditions of this assistance are set out in Appendix 1 of the present T&Cs.

This assistance will also be provided within the limits of the Authorized Territories if you have subscribed the Cross-Border Coverage.

In case of accident, as soon as You are aware of it and have the opportunity and within five (5) business days at the latest, You shall (i) report the accident to the Europcar pick-up agency and, if necessary, the local police authorities, and (ii) file an amicable declaration of motor vehicle accident.

Where the circumstances involve Third Parties, it is important that You duly complete and sign an accident report providing us with full details of both the incident / accident and the Third Party.

If, in the event of an accident with a known third party, You do not submit an accident report to your Europcar agency within a maximum of 5 (five) business days (unless it is materially impossible for You to do so within such time), and if Europcar is held liable by an opposing insurance company, You will be liable for the corresponding administrative fees in accordance with the section "Penalties/Payments" in the Recommended Tariffs Guide.

In these cases of accident, breakdown or theft of the Vehicle, You should call the assistance service which is included in Your rental price.

The assistance service number is as follows: 0 800 354 000 (or +33(1)49 93 72 42 from abroad).

In case of theft of the Vehicle, You shall provide Europcar with a copy of the report of theft filed with the local police authorities within two (2) business days in addition to the keys and registration papers of the Vehicle if those have not been stolen.

15) WHEN SHALL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all elements of Your rental have been settled and not earlier than the day after the Vehicle return date.

You will pay or be charged the full amount in one or several installments depending on the situation.

- You may decide to prepay (prepayment of your booking made online or at the Europcar agency) Your rental which will include the daily rental charge of the Vehicle and accessories for the Rental Period and for any

additional mobility services. Your means of payment will be debited by the agreed amount. You will receive an invoice or a receipt for that prepayment. The prepaid amount and the amount of the deposit shall be stated on the Rental Agreement, which you must accept and sign when collecting the Vehicle. In addition, the prepaid amount will be stated on the final invoice and deducted from any total amount still to be paid. However, in case of rejection of the prepayment when booking, You will not be able to take the Vehicle until the total regularization of this rejection.

- If You decide not to prepay Your rental at booking time, the amount of the deposit plus the rental charges for the Vehicle and any accessories, any additional services or drivers or protections You decide to take out before You take the Vehicle away will be shown on the Rental Agreement that You will have to agree and sign before picking up of the Vehicle. The final and global cost of Your rental will be charged and invoiced at the time of return of the Vehicle at the end of the Rental Period.
- Any additional fees or charges will be charged when You return the Vehicle (if they can be calculated at that time).
- If You have incurred extra costs such as fines or Damage caused to the Vehicle identified in Your absence, these costs and the applicable administration fees will be charged to You at a later date when Europcar becomes aware of them.
- In this respect, You will have a fourteen (14) day period starting from the date of sending (by email or regular letter) of the billing notification to contest and provide supporting documentation that You are not the cause of the fees. If you fail to contest or provide supporting documentation within the aforementioned period, the resulting fees will be charged.
- Your invoice will be sent to You electronically. If You refuse to receive your final invoice electronically, You can elect to receive paper invoice.
- In addition, if the due date of payment shown on the invoice has expired and You are not a Consumer (as The first article of the Consumer Code, namely "*any natural person who acts for purposes which are not within the scope of his commercial, industrial, craft, liberal or agricultural activity*"), nor a non-professional (defined as "*any legal person who does not act for professional purposes*"), You :), You explicitly agree that :
 - You will be liable for late payment penalties at a rate equal to the interest rate applied by the European Central Bank's refinancing operation increased by 10 percentage points, and a €40 recovery allowance under the conditions referred to in Article L. 441-6 of the Commercial Code.
 - the immediate maturity of all outstanding bills, and the cancellation by right of the Rental Agreement, and
 - that Europcar will have the right to claim immediate return of Vehicle.

16) WHAT IF I WANT TO CANCEL OR MODIFY MY BOOKING?

a) Modification

You can modify Your booking, free of charge, provided You let Europcar know **at least 48 hours before** the rental is due to start.

Please be aware that new rental prices may apply if and a new mileage rate may apply if You modify Your booking and You should always use the same communication channel that You used when booking the Vehicle in the first place to modify Your booking.

Alternatively, You can call our Call Center at +33 (0) 825 358 358 (€0.15 /1min from a land line, inclusive of VAT) or +33 (0)1 70 39 89 86 (price of a local call made from France, excluding any supplementary cost that may be applied by your operator).

b) Cancellation and No show

- **Cancellation** - You can cancel Your booking free of charge provided that You have given Europcar **at least 48 hours' notice before the rental is due to start.**
- **Late cancellation** - If You cancel giving Europcar less than 48 hours' notice, **a fee may be applied. The amount of this fee mentioned in the recommended Tariffs Guide shall not exceed the price of Your rental.** In the case of a prepaid booking, the prepaid amount will be refunded minus a late cancellation fee. In the event of a non-prepaid reservation, the fee will be deducted from the payment card You have provided. In case of a non-prepaid reservation and in the absence of any payment card details provided, You remain liable for the late cancellation fee.
- **No show** - If You have not cancelled Your reservation and You fail to show up at the agency to collect Your Vehicle on the scheduled rental date and time, the prepaid amount of your rental will be fully retained by Europcar. In case of a no-prepaid reservation, a no-show fee will be applied. The price of the no-show fee is indicated in the Recommended Tariffs Guide. If the price of the no-show fee exceeds Your rental amount, the price of your rental will be held. In case of a no-prepaid reservation, the no-show fee will be charged on the mean of payment you provided, and if no mean of payment has been provided, You remain liable for the no-show fee.

c) Delay

If You have prepaid Your Booking online and/or provided Your payment card details, Your departure station agency undertakes to provide You with the chosen category of Vehicle until its closing time.

In the specific case of a Train Station or Airport, if the train or flight number is provided in the reservation, in the event of a delay, Your departure station agency undertakes to provide You with the category of Vehicle chosen until one (1) hour after the agency closing time. If we were to exceed our normal opening hours, then we would be able to apply a surcharge.

If you have not prepaid Your booking online and/or not provided Your payment card details and Your identification data (address, driver's license number, train or flight number...), Your departure station agency cannot guarantee that a Vehicle will be available beyond two (2) hours from the booking time scheduled during business hours.

d) Force Majeure

Under this section, You will not be held responsible in the event of cancellation of the reservation or failure to pick up the Vehicle due to the occurrence of an event of Force Majeure.

Legally, there is Force Majeure when an event beyond Your control, which could not be reasonably foreseen at the time of the conclusion of the contract and whose effects cannot be avoided by appropriate measures, prevents You from executing the rental contract. If You invoke it, it will be up to You to establish that the event actually constitutes a case of Force Majeure.

Please note that strikes, delays or cancellations of Your means of transport (train, plane, etc.) are not considered events of *Force Majeure* and do not exempt You from additional costs for late cancellation or no show.

17) WHAT IF I WANT TO EXTEND MY RENTAL AGREEMENT?

In case You want to extend the Rental Period shown on Your Rental Agreement You may :

- For any extension of less than 48h hours, either give a call to the Europcar agency of check-out or go to the Europcar agency of check out
- For any extension longer than 48h hours, You must :

- Inspect the Vehicle together with a Europcar agent
- Pay the rental as well as any additional charges
- Sign a new Rental Agreement or an addendum to the initial Rental Agreement.

If You don't comply with the above mentioned conditions, the rules set forth in Article 11 ("What procedures are being applied when returning the Vehicle") will apply.

18) WHAT IS THE FUEL/ELECTRICITY POLICY?

The rules applicable to fueling and refueling (or electricity charging) of a Vehicle depend on the country of rental and the type of rental product you have selected. Please check carefully the rules applicable for every rental you make. Please ask Europcar's agent for details of all available options when you collect the Vehicle.

1. Thermal, hybrid or plug-in hybrid vehicle (as far as the fuel part is concerned)

All Vehicles are supplied with a full tank of fuel at pick up. Two options may then be made available to You :

FULL TANK OPTION REFUNDABLE

- At pick up you pay for the price of a full tank of fuel. The price of this will depend on the Vehicle category.
- If you return the Vehicle with a full tank of fuel (proof of filling may be required), Europcar will reimburse you the price of the full tank of fuel paid at the time of pick-up.
- If you do not return the vehicle with full fuel, the fuel remaining in the tank at the time of return of the vehicle will not be refunded.

FULL TO FULL

- We provide you with a Vehicle with a full tank of fuel
- You return the Vehicle with a full tank of fuel ⁽¹⁾
- You pay nothing for either refueling service charge or fuel ⁽²⁾

⁽¹⁾ At return, to consider the tank as full, different rules are applied depending on the kilometers driven during the rental.

- **You drove less than 100 km:** A valid station ticket will be asked as a proof of refueling to justify that the tank is full.
- **You drove more than 100 km:** The visual level of the gauge will be used as a proof of full tank. The tank is considered full if the fuel gauge is at maximum level (8/8).
- A ticket is considered valid as **regarding the refueling date, the location of the petrol station and the amount refueled**. You should refuel a tank at a petrol station situated no more than 25 kilometers from the Europcar's agency of return of your Vehicle. Please ask Europcar's agents at the agency for additional information on ticket validity.
- ⁽²⁾ **If the tank is not full**, you will be charged for fuel following two methods of refueling charges calculation depending on the kilometers driven during the rental. Please note that the price per liter and fuel type will be communicated by Europcar's agents at the agency when returning the Vehicle.
- **You drove less than 100 km:** You will be charged based on the average consumption of the Vehicle for the distance driven during the rental. The average consumption is expressed for 100 km and depends on the Vehicle model. Please ask Europcar's agents at the agency for additional information on average consumption of the Vehicle model that You rent.
- **You drove more than 100 km:** You will be charged based on the visual level of the fuel gauge. The calculation is based on the missing 8th expressed by the gauge if the gauge is divided in 8 levels or according to the scale indicated on the gauge. If the needle is between 2 graduations, the missing 8th will be calculated based on the closest

graduation. If the needle is precisely in the middle of 2 graduations, the missing 8th will be calculated based on the highest graduation (in Your favor). For example you will not be charged in case the vehicle is returned with the gauge at or above 7.5. See below for an example of fuel charge calculation.

- If the gauge is between 7 and 8 when returning the Vehicle, You will be billed to the closest missing 8th.
- E.g.: if the gauge indicates 7.3 when returning the vehicle, you will be billed for one-eighth.

- If the gauge is below 7 when returning the Vehicle, You will be billed to the closest missing 8th.

E.g.: if the Vehicle is returned at 5.8, You must pay two-eighths.

If the gauge is between 7 and 8 at return, you will be charged if the gauge is closer to 7

e.g. if the vehicle is return at 7,3 you are charged for one 8th

If the gauge is under 7 at return, you will be charged to the closest missing 8th

e.g. if the vehicle is returned at 5,8 you are charged for two 8th

Regardless of the refueling charges calculation method : If more than seven liters are missing when You return, You will be charged for an additional refueling service charge (please refer to the Recommended Tariffs Guide). If less than seven liters are missing when You return, you will not be charged for an additional refueling service charge.

2 - Electric and/or plug-in hybrid vehicle (for the Electricity part)

Any Electric Vehicle is delivered with a battery 80% charged at the time of departure of the rental.

Regarding the return of the Vehicle, you will have the choice between two possibilities :

1. You choose to return the vehicle with a charge level equivalent to 80%

No amount is charged if this level of charge is found when returning the vehicle. When leaving the agency, we recommend that you check that the level of electric charge level of your vehicle corresponds to the one indicated on your rental agreement. Otherwise, please inform the present staff before leaving the station.

Failing to respect this level of charge, you will be liable for an Electricity recharging service charge. The amount of this charge, corresponding to the recharging fee and the corresponding service of Europcar, is indicated in the Recommended Tariffs Guide.

2. You choose to subscribe the option allowing you to return the vehicle without a minimum charge

This option, whose amount is indicated in the Recommended Tariffs Guide, will be charged to you and will allow you to return the vehicle without worrying about the charge level. This option is not refundable whatever the charge level of the Vehicle when it is returned.

Rental of a plug-in hybrid vehicle

When renting a plug-in hybrid vehicle (gasoline/electric), Europcar will make its best efforts to provide you with a vehicle charged at 80 (eighty) %. However, we do not guarantee any battery charge level at the time of pick-up of the vehicle. It is your responsibility to recharge the vehicle for the duration of your rental. No minimum charge level will be required on return of your Vehicle.

Any return of the Vehicle with a quantity of fuel level lower than the one indicated at the departure from the station, will result in the invoicing of a refuelling charge, whose rate is mentioned in the Recommended Tariffs Guide in addition to the price of fuel which is invoiced according to the price of the liter displayed at the Europcar station on the day of the return of the Vehicle.

- **Good practices for using your electric vehicle**

We recommend that you charge the battery as often as possible to keep it between 20% and 80% charge. Charging the Electric Vehicle when the battery life is less than 20% will extend the charging time.

IMPORTANT : You must not allow the battery charge to fall below 10%, as this considerably reduces the life of the battery and may damage it. You are fully responsible in case of breakdowns caused by low battery.

You must ensure that you use the charging point and the cable (either the cable supplied with the Electric Vehicle or a cable attached to the public charger) responsibly and with care, so as not to create a tripping hazard or other risk to the public.

When using a charging point, you must move the vehicle as soon as you have finished charging. If you fail to do so, you risk incurring additional charges from the operator of the electric charging point, or even a parking fine, which we will pass on to you, together with administrative charges for handling fines (see Recommended Tariffs Guide).

- **Charging cables for electric vehicles**

One or more charging cables will be provided with the Electric Vehicle. Please inform Europcar staff if no cable is provided to you when picking up the Electric Vehicle. If this is not recorded at the time of pick-up, you will be liable for the cost of replacing the cable(s) (see Recommended Tariffs Guide).

IMPORTANT : Only the cables provided with the vehicle must be used to recharge it (unless the use of a network Fast Charging Point requires the use of a cable attached to the terminal). You are responsible for any loss or damage to the cable(s), beyond normal wear and tear.

Charging cables must be used with care and attention and in accordance with the user manuals. If you use a cable other than in an electric vehicle charging socket, you are responsible for any loss or damage caused.

Specific provisions for TESLA vehicle rentals

If you rent a TESLA vehicle, you are informed that the price of recharging at TESLA Superchargers will be invoiced to you by Europcar in addition to the rental price, as well as any penalties that may be due if you leave the vehicle connected to a Supercharger for longer than the time required to fully recharge it.

The price applicable to these recharges on Tesla Superchargers is indicated on the Vehicle's screen, as well as on the Tesla website (www.tesla.com). This price differs depending on the location of the charger and the date/hour of recharging. Please check these prices before recharging.

For each top-up, Europcar will apply a transaction fee of one (1) euro (VAT included). These top-ups will be invoiced no later than seven (7) working days after the rental has ended, and will be debited from the payment method communicated for the payment of your rental.

For rentals of 30 days or more, the 1st invoice will be issued after the first 30 days of rental. Other invoices will follow at the same pace as for rentals of less than 30 days, i.e. every 7 working days.

Recharges carried out at recharge points other than TESLA Superchargers remain entirely at your expense.

- **Penalties for exceeding the charging time on TESLA Superchargers**

In order to allow the smoothest possible access to its Superchargers, TESLA applies penalties per minute when the customer leaves his vehicle connected beyond the time required for its full recharging, which is indicated on the vehicle's dashboard when it is connected.

You will therefore be billed by Europcar for the penalties applied by TESLA for recharging during your rental period. This penalty, the rate of which is at the discretion of TESLA, amounts to 1€ (VAT included)/min on the date of November 2023 and is subject to change.

In the case of a long-term rental, you will have access to the TESLA application for the duration of your rental, which you can download onto your cell phone in order to use all the functions, such as remote control.
