## TROTTERS' ROBIN RELIANT NAMED THE NATION'S FAVOURITE VAN

### Europcar survey ranks consumers' favourite on screen vans

A consumer survey by Europcar has named the distinctive yellow *Trotters' Independent Trading* Reliant Regal Supervan as the UK's favourite van from TV and film, followed by the Mystery Inc. team's Mystery Machine from the 'Scooby Doo' cartoons.

#### The UK's favourite on-screen vans:

- 29% - Reliant Regal Supervan, *Only Fools and Horses*
- 19% - Mystery Machine, *Scooby Doo*
- 9% - Postman Pat's post van
- 8% - GMC Vandura, *The A-Team*
- 7% - GMC Value Van, *Back to the Future*
- 5% - Ford Econoline, *Dumb and Dumber*
- 4% - Ford Explorer XLT, *Jurassic Park*
- 4% - Fleetwood Bounder RV, *Breaking Bad*

"There's a real nostalgic connection with almost all of these vans," commented Sarah Clarke, Consumer Marketing Manager for Europcar. "Del Boy and Rodney's antics entertained us for many years, so it's unsurprising the pair's van is so popular. Likewise, Scooby Doo and Postman Pat bring back childhood memories and that warm fuzzy nostalgia is hard to beat.

"Vans may not be the most exciting vehicle on the road, but when they are associated with favourite films and TV programmes, they seem to take on a new significance that has earned them a place in the nation's heart. While Europcar may not have any Robin Reliants, Mystery Machines or post vans on fleet, we do have plenty of other – far more practical and modern – vans available to rent for any job."

Businesses and individuals can access a wide choice of vehicles, from short and long wheelbase and Luton panel vans from a network of locations across the UK. Reservations can be made at [www.europcar.co.uk](http://www.europcar.co.uk)
