Europcar Mobility Group Opens Station for Cars, Vans, and Trucks in Bremen-Neustadt

Europcar Mobility Group Germany has been operating a new station in Bremen-Neustadt since 09/01/2026. The location at Neuenlander Straße 83 replaces the previous van and truck station at Ludwig-Erhard-Straße 45 in the Strom industrial district. Private and business customers can now rent cars, vans, and trucks at a single address. The move brings the station closer to the city center and to Bremen's main traffic arteries.

Which vehicles does the new Europcar station in Bremen offer?

The station at Neuenlander Straße 83 offers all three vehicle categories. Vans are available for moving, trucks for commercial use, and cars for everyday driving, weekend trips, and vacations. The station is open seven days a week.

"With the new location, we combine easy access with a much broader range of vehicles. From cars and vans to trucks, our customers now find different vehicle categories at a single address," says Thorsten Buschmann, station manager at Europcar Bremen Neuenlander Straße. "This allows us to respond even more flexibly to different mobility needs and to advise our customers in person, seven days a week, on the right vehicle for them."

How can I reach the station on Neuenlander Straße?

As part of the B6 federal road, Neuenlander Straße is one of Bremen's main traffic arteries. It connects to the A1 highway via the Arsten interchange. Customers can reach the station using Bremen's public transit operator [BSAG](#) via the Schleiermacherstraße stop on streetcar line 6. From there, it is about a half-mile walk.

In which locations does Europcar operate in Bremen?

Following the move, Europcar Mobility Group Germany operates three stations within Bremen:

- [Neuenlander Straße 83](#): cars, vans, and trucks

- [Breitenweg 32](#): cars
- [Bremen Airport](#): cars

The move follows a simple idea: Europcar wants to be as convenient to reach as possible for its customers.
