- to rent a Vehicle (a car or a van or a motorcycle) to You (the person named in the Rental Agreement – as defined below – and who signs it) for the period of time (not exceeding 90 days) that is specified in the Rental Agreement (the “Rental Period”) plus any accessories that You wish to rent, which will also be specified in the Rental Agreement.

In the event that the booking has been made, prepaid and/or paid for by a third party, other than the Hirer (understood as the person signing the Rental Agreement), and said third party subsequently rejects the charge made by Europcar, Europcar may demand payment of said amount directly from the Hirer (and jointly and severally from the authorised drivers appearing on the Rental Agreement).

You may only drive a Vehicle on mainland Spain.

You may drive the Vehicles outside the Spanish mainland territory and in the countries described below (hereinafter, the "Territory"), provided that you have taken out the EMS service, the price of which is set out in the Recommended Rates Guide. The authorised countries to which you can have access, provided that you have contracted the EMS service, are the following (hereinafter, "Authorised Countries"): Andorra, Austria, Belgium, Czech Republic, Denmark, Finland, France (Mainland), Germany, the territory of Gibraltar, Isle of Great Britain, Italy (Mainland), Liechtenstein, Luxembourg, Monaco, Netherlands, Norway, Portugal (Mainland), San Marino, Slovenia, Spain, Sweden, Switzerland, Vatican. In addition, please note that in Italy, San Marino, Vatican and Great Britain you may only drive vehicles with the following codes ACRISS, EBMR, EDMR, CCMR, CDMR, IDMR, SDMR, according to their equivalence in the General Tariff in force. The EMS service also entitles you to move and drive the vehicle (i) from Spanish mainland territory to the Balearic Islands (except the island of Formentera) and vice versa, (ii) and between the Balearic Islands (except the island of Formentera), and (iii) also between the Canary Islands. However, the EMS service does not cover the additional charge in the event that you return the vehicle to a Europcar office other than the collection office.

Additionally, the EMS service allows you to improve, in all Authorised Countries, the roadside assistance cover included in the price of your rental by protecting you in circumstances not covered by the aforementioned roadside assistance service, without additional charge.

EUROPCAR will apply a penalty in the event of driving the vehicle outside mainland Spain:

- If you drive the vehicle outside mainland Spain and through one of the Authorised Countries, without having contracted EMS service, the 'Cross Border Penalty Authorised Countries' will be applied in the terms included in our Recommended Rates Guide.
- ✓ If you drive the vehicle through countries other than the Authorised Countries, taking into account that our vehicles have geolocation systems, if it is detected that you have exceeded the permitted Territory, you will be charged the 'Cross Border Non Authorised Countries' penalty for breach of contract, automatically terminating your rental agreement unless otherwise stated by Europcar, with you having to return the vehicle immediately. In this regard, Europcar reserves the right to take appropriate legal action for the immediate recovery of the vehicle, as well as the collection of the corresponding charge for such breach, the amount of which is described in our Recommended Rates Guide.

The use of commercial vehicles and cargo vans is only permitted on the Spanish mainland. You must have the express authorisation of Europcar if You and/or the Driver wish to drive these commercial vehicles and cargo vans in the Balearic and Canary Islands. You and/or the Driver undertake not to use the commercial vehicles and cargo vans outside the Spanish mainland territory. Please refer to the Europcar Insurance and Protection General Terms and Conditions attached to your confirmation email, or available from Europcar Offices, and in the Terms and Conditions section of our website www.europcar.es in order to learn all about the conditions, exclusions and other specifications related to the following protection offered through Europcar:

- **CDW** (Collision Damage Waiver): CDW is an optional service offered directly by Europcar which exempts You (except for the amount of the excess), by taking it out, of the financial liability exclusively for the damages caused to the Vehicle as a consequence of a collision against another vehicles or fixed or mobile objects, excluding those caused by acts of vandalism except in the event the latter occur during the use of the Vehicle.
- **SCDW** (Super Collision Damage Waiver) and **SPCDW** (Super Protection Full Damage Waiver): SCDW and SPCDW are optional services directly provided by Europcar and are offered exclusively by it only for a specific group of customers and/or vehicles which, through taking them out, partially (SCDW) or totally (SPCDW) exempt the renter from paying the minimum amount charged to them (excess) not covered by CDW. For vans and industrial vehicles, a reduced excess will be applied.

The excess amount is set in the General Effective Rates, and it may appear in the rental agreement regardless of whether SCDW or SPCDW is taken out. If the CDW has not been taken out and/or any of the CDW exclusions set out in the above-mentioned Europcar Insurance and Protection General Conditions apply, then the SCDW and SPCDW shall not be applicable.

- **THW** (Theft Protection): exemption (except for the amount of the excess) from liability in the event of total or partial theft of the vehicle and damages caused to it by acts of vandalism whilst parked when it is not being used by the Renter.

THW is an optional service provided directly by Europcar which, when taken out, exempts You (excluding the corresponding excess amount) from financial liability for the total or partial theft of the Vehicle and damage caused to it as a result thereof and/or of acts of vandalism when parked when it is not being used by the Renter

Under no circumstances shall the total or partial theft, and damages caused on windscreens, windows, rear-view mirrors, wheel rims and tyres of the rented vehicle be covered by THW when this damage occurs in situations other than those described in the foregoing paragraph.

- **STHW** (Super Theft Protection) and **SPTHW** (Full Theft Protection): partial or total exemption from payment of the excess to be borne by the Renter not covered by THW.

STHW and SPTHW are optional services directly provided by Europcar and they are offered exclusively by it, only to a specific group of customers and/or vehicles which, through their hiring, partially (STHW) or totally (SPTHW) exempt You from paying the minimum amount charged to You (excess) not covered by THW.

If THW is not taken out and/or if any of the THW coverage exemptions set forth in Europcar Insurance and Protection General Conditions are applicable, SCDW and SPCDW shall not be applicable.

The excess amount is set out in the General Effective Rates, and it may appear in the rental agreement regardless of whether STHW or SPTHW has been taken out. For vans and industrial vehicles, a reduced excess will be applied.

- **WWI** (Windscreen and Tyre Protection): WWI is an optional service directly provided by Europcar and it is offered specifically by it, only for specific groups of customers and/or vehicles that, by taking it out, offers the following protection:

Exemption from the obligation to pay for damage and/or loss caused only and exclusively for windscreens, windows and rear-view mirrors of the rented vehicle as a result of chinks or stone damage.

Exemption from the obligation to pay for damage and/or loss to the vehicle's wheel rims or tyres, including the spare tyre, if this was the result of a puncture or hitting kerbs during parking manoeuvres.

In the event WWI is taken out as an individual product or as part of a Premium Protection package, mentioned in the Combination of Protection section, no excess shall be applied due to the damage caused on the aforementioned elements and circumstances. For vans and industrial vehicles, a reduced excess will be applied.

In the event WWI is taken out as part of a Medium Protection package, or Premium P, mentioned in the Combination of Protection section, the damages described herein shall be subject to application of the partial excess set out in the General Effective Rates.

In any case, the excess amount set out in the General Effective Rates may appear in the rental agreement regardless of the modality (individual product or part of any of the aforementioned packages) under which WWI has been taken out.

- **RSA:** RSA is an optional service provided directly by Europcar that enables you to improve roadside assistance service cover included in your rental. This product offers the following protection:

Exemption from the obligation to pay the flat fee set out in the Recommended Rates Guide for those circumstances not covered by the roadside assistance service.

- **PAI:** (Personal Accident Insurance). The PAI is a personal accident insurance taken out with AXA XL, under policy number XFR00024381SP that provides cover for both the driver and the vehicle's occupants, contracting an indemnity in the event of death and/or permanent invalidity and provides limited reimbursement of medical costs arising in the case of a collision or traffic accident during the use of the rented Vehicle.

- **SPAI:** (Super Personal Accident Insurance). SPAI offers an alternative and superior protection to the one offered by PAI, through insurance policy number XFR00024393SP, signed with the business organisation ACE European Group Ltd which guarantees, both for the driver and the passengers of the vehicle when taken out, a limited reimbursement of the medical expenses due to collision or traffic accident during the use of the rented vehicle.

Furthermore, when taking out SPAI, this offers compensation in the event of loss, damages, theft or destruction of your luggage and the personal effects contained therein, as a result of a collision or traffic accident, as well as in the event of theft of such property.

- **FAW** (Fine Appeal Waiver): The FAW is an optional service through which Europcar makes available to all customers the possibility of speeding up the process of payment of traffic fines received during the rental period. The contracting of this service is available both over the counter and at the end of the rental period when you receive the email notifying you of the fine. The contracting of this service is subject to a charge, the amount of which is set out in the Recommended Rates Guide. In addition to the above, when taking out the FAW, you will be provided with the contact details of our external fine service provider in case you wish to appeal the fine when you receive the email notifying you of the fine. The FAW service does not exempt the driver from the payment of the Fine Administration Fee.

The cover provided by PAI, SPAI, and Third-Party Liability Insurance, are guaranteed by the insurer with whom EUROPCAR has taken out the corresponding insurance policy applicable in each case; and they remain subject to what is agreed upon in the general and specific terms and conditions of said policy (a copy of which may be consulted in all Europcar offices) and to existing legislation.

- **CLICK & COLLECT:** If you take out this product, you can benefit from an optional service provided directly by Europcar which allows you, at certain car rental offices^{1*}, to collect the keys and the Individual Rental Agreement at one of our CLICK & COLLECT counters, thus reducing both personal contact and waiting times at the counters. This product includes the Premium Protection (described in Articles 7 and 8), unlimited mileage and the rental period must be from 1 day to 28 days maximum. In order to benefit from this service, you must (i) have booked the CLICK & COLLECT product through our website or through our Call Centre and (ii) have made both the booking and the online check-in 24 hours before the date of vehicle collection. If you have carried out your online check-in 24 hours before the collection date, Europcar will not be able to provide this optional service as your contract cannot be prepared sufficiently in advance, although you will retain the contracted terms and conditions regarding Premium Protection and unlimited mileage for the duration indicated, i.e. from 1 to 28 days maximum.

10. WHAT ARE THE OTHER FEES / CHARGES THAT I MAY HAVE TO PAY?

- **The Deposit.** In addition to the rental price (that You have prepaid during the booking or that You will pay at the time of collection) Europcar requires You to provide a guarantee for any additional charges that may arise during your use of the Vehicle over the Rental Period. - Vehicle handling and recovery charge in cases of late return of the vehicle.

11. WHAT SHOULD I PAY ATTENTION TO WHEN COLLECTING AND RETURNING THE VEHICLE?

Collection

When You collect the Vehicle from Europcar You will be asked, amongst other things, to sign a section on the Rental Agreement that describes the Vehicle’s condition at that particular time.

If You notice any apparent defect or damage that is not described on the Rental Agreement then You should ensure a note is made on the document and that both You and the Europcar agent sign the change to it before collecting the Vehicle. Failure to request the above-mentioned notice for this additional apparent defect or damage, means Europcar is entitled to assume that You have accepted the Vehicle in the condition set out on the Rental Agreement and to charge You for any new damage that is noted by You and the Europcar agent when the Vehicle is inspected by both parties at the time of its return.

12. WHAT PROCEDURES ARE APPLIED WHEN RETURNING THE VEHICLE?

a) Return of the Vehicle during Europcar Office opening hours

You should return the Vehicle to the Europcar office, at the latest, on the date and at the time shown on the Rental Agreement. You may return the Vehicle to another Europcar office for the cost mentioned on the Recommended Rates document attached to your confirmation e-mail if you book remotely. This document may also be consulted in Europcar offices and/or on the Europcar website.

The Rental Period will end when You return the Vehicle to the Europcar office and hand over the Vehicle’s keys and registration documents to a Europcar agent or its representative.

Any earlier return of the Vehicle to the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement

When You do return the Vehicle to Europcar You must inspect the Vehicle together with the Europcar agent or its representative and countersign a report stating the condition of the Vehicle at the time it is returned.

Europcar will provide You with a signed document in which Europcar confirms the return of the Vehicle.

Europcar cannot be held liable for possible property and/or objects You may have left in the Vehicle.

b) “Out-of-hours” return service

Europcar recommends returning the Vehicle during its office opening hours. However, to meet the specific needs of some of its customers, at certain offices Europcar offers an additional “out-of-hours” service.

If You choose for this “out of hours” service, You accept that the Vehicle condition report may be prepared by the Europcar agent or its representative without your presence and after the keys are dropped off.

At offices offering “out of hours” return services, the above-described procedure (see point 12)-a)) has been adapted to enable these offices to offer this service under the best possible conditions.

In particular, You must declare any incident and/or Damage that affects the condition of the Vehicle on the document that will have been handed to you for this purpose when You picked up the Vehicle. You must return this document together with the corresponding accident report, if applicable, duly completed and the keys in the "key deposit box" provided for this purpose.

Please note that your Rental Agreement does not automatically end when You return the keys: the Vehicle will remain in the parking space where You will have parked it until the opening of the Europcar office, which will then proceed to inspect the

Vehicle and close your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle in an area provided for this purpose and in a way that the Vehicle is not a danger to others or hampers traffic complying with applicable traffic regulations. The vehicle's documentation must also be left in the glove compartment.

Since the Vehicle is inspected at a later stage – during office opening hours– Europcar recommends You take photographs of the Vehicle in order to keep evidence of the condition of the Vehicle's return once it is parked and before the keys are dropped-off.

Once the inspection is made and in the absence of damage, Europcar will send You a document stating that the Vehicle has been returned undamaged.

Europcar cannot be held liable for possible property and/or objects You may left in the Vehicle.

c) Return of the Vehicle without your presence and during Europcar office opening hours.

If you are unable and/or decline to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorised to inspect the Vehicle itself without your presence and to register your refusal to inspect the vehicle.

The same Procedure as the one described above will be applied (See 12-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date and at the place indicated in the Rental Agreement, the Rental Agreement shall be considered terminated and Europcar shall contact you to return the Vehicle within a maximum and non-extendable period of 24 hours from such communication. Once the 24-hour period has elapsed without having received a communication from you, or without the Vehicle being returned, Europcar may consider that the Vehicle has been misappropriated, informing you to this effect, and reserving the right to initiate the necessary legal actions for its recovery, communicating it to the competent local authorities. Likewise, the protection and other additional contractual services taken out for this rental shall have no effect from the moment Europcar has notified you of the breach of the Contract.

In such case, Europcar shall be entitled to claim from you all damages caused, including the value of the Vehicle, as well as all fines, tolls, penalties or sanctions imposed on the rented Vehicle as a result of any requirement made by the public authorities, for example those asking for the identity of the driver, or to clarify any circumstances related to possible infringements or offences.

In addition to the above, in these cases, once the Vehicle has been recovered, Europcar will be entitled to charge additional fees for the process of recovering the Vehicle, the amount of which is specified in our Recommended Rates Guide.

13. DAMAGE TO THE VEHICLE

In the event differences are identified between the condition of the Vehicle as described when handed over and the one identified upon return, You may be required to pay the amount as defined below.

a) Damage identified upon return of the vehicle and in your presence

If any damage is identified during the return of the Vehicle upon inspection, in your presence and in the presence of the Europcar agent or its representative, and if You acknowledge the damages by signing the statement of return of the Vehicle, and by providing an accident report, Europcar will provide You with an assessment of the repair costs that may be charged to You.

Repair costs will vary depending on the type of damage:

- Minor damage: minor damage will be considered that included in the price list for damage and average repair costs, calculated by an external damage assessment company. Minor damage will be charged according to the above mentioned list which is available at any Europcar office and on our website: [damage assessment schedule](#), along with damage administration fees and vehicle immobilisation costs.
- Other damage: Minor damage not included in the above-mentioned price list and/or other more Serious Damage will be assessed by an expert and charged according to the expert's report or a cost estimate made by an independent motor-repair garage.

Europcar will apply the procedure described below (see article 12)-b) if You contest the Damage and its invoicing by refusing to sign the statement of return of the Vehicle.

b) Damages identified in case of an out-of-hours return and without your presence

Europcar will send to you the following documents if Damage is identified during the inspection of the Vehicle by a Europcar Agent or its representative without your presence:

- Accident report (if any) and statement of return of the Vehicle describing all Damage identified
- pictures of the Damage
- An estimate (quote) of the repair costs that will vary depending on the nature of the Damage (see above, article 13)-a) paragraph 2) and administration fees for the handling of the Damage and the Vehicle immobilisation.

You will be able to challenge Damage identified and its invoicing within 14 days after the sending (by e-mail or ordinary post) of the documents.

In the absence of a reply from you or justification of your objection within the aforementioned 14-day period, Europcar reserves the right to invoice you for the repair costs identified.

c) Common rules

Please note that depending upon the damage suffered by the Vehicle and the type of protection You have taken out with Europcar (see the *Europcar Insurance & Protections* General Terms and Conditions attached to Your confirmation email or available from all Europcar offices, and/or on Europcar's websites) You may or may not be charged for the full amount of the cost of repair. In any case, You will be able to challenge the Damages and their invoicing by acting pursuant to the provisions of article 24.

14. WHAT IS EXPECTED OF ME REGARDING VEHICLE MAINTENANCE?

During Your rental, You must take all necessary protective measures to keep the vehicle in the same condition as that in which you have taken possession of it.

You should remain alert to any signal from the warning lights on the Vehicle's dashboard and take any necessary protective actions.

Any modification to or mechanical interventions on the Vehicle are forbidden without Europcar's prior written authorisation. Should this rule be breached, You will be liable for duly justified costs of restoring the Vehicle to the same condition as that in which You took possession of it.

You will be liable towards Europcar for any detrimental consequence arising out of any infringement to the above-mentioned maintenance obligations.

15. WHAT SHOULD I DO IN CASE OF ACCIDENT, MECHANICAL BREAKDOWN OR THEFT OF THE VEHICLE?

In case of mechanical breakdown or accident which prevents You from continuing your journey and/or obliges you to stop the Vehicle to prevent any breakdown, You are provided with an assistance service, included in the price of Your rental. The terms and conditions of this assistance are set out in Appendix 1 of these T&Cs.

In case of accident, You shall immediately notify us within 24 hours of the date on which the incident took place and, in any event, before the end of your rental period. You must also return a fully completed Accident Report and/or any other document to us which you believe will be useful to supplement your statement.

In those cases, You should call the assistance service which is included in Your rental price.

The assistance service number is as follows: 900 181 735

In case of theft of the Vehicle, You must notify Europcar within 24 hours of the time you discover the Vehicle is missing and provide Europcar with a copy of the theft report filed before the local police authorities, the keys and official papers of the Vehicle if those have not been stolen.

16. WHEN WILL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all items of Your rental have been settled and no earlier than the day after the Vehicle return date. You will pay or be charged the full amount in one or in several payments depending on the situation.

- If You book a Vehicle online:
 - You may decide to prepay (prepayment of the booking made online, via our call centre or at the Europcar office) your rental which will include the daily rental charge for the Vehicle and accessories for the Rental Period and for any additional mobility services. Your means of payment will be debited the agreed amount. You will receive an invoice or a receipt for that prepayment. In addition, the prepaid amount will be mentioned on the final invoice and deducted from the total amount (still) to be paid.
 - If You decide not to prepay Your rental at the time of booking, the amount of the deposit plus the rental charges for the Vehicle and any accessories, any additional services or drivers or protection You decide to take out before taking the Vehicle will appear on the Rental Agreement that You agree to and sign before collecting the Vehicle. The final and overall cost of your rental will be charged and invoiced at the time the Vehicle is returned at the end of the Rental Period. Any additional fees or charges will be charged when You return the Vehicle (if they can be calculated at that time). If You have incurred extra costs such as fines or tolls or caused damage to the Vehicle identified without your presence, then Europcar will charge You these costs and the applicable administration fees (damage administration fees, fines administration fees) at a later date, when Europcar becomes aware of them.
 - In this case, You will have a fourteen (14) day period starting from the date of sending (by email or ordinary post) of the billing notice to reply and justify that You are not responsible for such amounts. You will be charged for the amount of these fees if there is no objection or justification from You within the aforementioned period.
- Your invoice will be sent to You electronically. If you wish, you may choose to receive the invoice on paper.
- In addition, if the due date of payment shown on the invoice has expired and **if You are not a Consumer** (as defined by the applicable law –Law 1/2007, November 16) You will be liable for late payment penalties stipulated in Law 3/2004, establishing measures to combat late payment in commercial transactions..
- You expressly agree that your failure to comply with any payment obligation arising from the Rental Agreement shall entitle Europcar to early cancel your agreement, and, as a consequence, to demand the immediate return of the Vehicle. In this case, Europcar could require the immediate payment of the entire outstanding debt, regardless of the payment terms previously agreed. If Europcar inform you that Your contract has ended because of this reason, You must return the car back to Europcar within 48 hours of the notification. The vehicle must be returned to the same station you collected it. If you don't return the vehicle in these terms, Europcar is entitled to take legal action.

17. WHAT IF I WANT TO CANCEL OR AMEND MY BOOKING?

a) Amendment

Unless you have chosen a non-refundable and non-changeable offer ('Light Package'), you can modify Your booking, free of charge, provided You let Europcar know at least 48 hours before the rental is due to start.

Please note that new rental prices may apply together with a new mileage rate if You amend Your booking and You should always use the same communication channel that You used when booking the Vehicle in the first place when amending Your booking.

Alternatively, You can call our Call Centre at 911 50 50 00.

b) Cancellation and No show of refundable and changeable offers.

- Cancellation - You can cancel Your booking free of charge provided that You have given Europcar at least 48 hours' notice before the rental is due to start.
- Late cancellation - If You cancel giving Europcar less than 48 hours' notice, a penalty of up to €50 might be applied. The amount of this fee shall not exceed the price of Your rental if it is lower. In case of prepaid booking, the prepaid amount will be refunded less a late cancellation fee. In the event of a non-prepaid booking, the penalty will consist of a charge on your credit card of up to €50. In case of a non-prepaid booking and in the absence of any payment details provided, You shall remain liable for the late cancellation fee.
- No show - If You have not cancelled your booking with at least 48 hours' notice before the rental is due to start, and you fail to come to the Europcar office to pick up the vehicle after 24 hours from the rental start time indicated in the booking, your booking will be automatically cancelled and a No show fee of up to €95 for Vehicles and up to €150 for Vans, will be applied. If the price of Your rental is lower than the No show fee, the No show fee's amount will be equal to the price of Your rental. In case of prepaid booking, the prepaid amount will not be refunded. In the event of a non-prepaid booking, the penalty will be deducted from the means of payment You have provided. In case of a non-prepaid booking and in the absence of any payment details provided, You shall remain liable for the "No show" fee.

c) Cancellation and No Show of non-refundable and non-changeable offers: 'Light Package'.

Non-refundable prepaid reservations under the 'Light Package' Tariff, cannot be cancelled and/or modified. Contracts under the 'Light Package' Tariff does not allow changes, modifications or refunds. No changes are permitted before or after pick-up. If you cancel your reservation or if you do not pick up the vehicle at the rental office at the scheduled time (No Show), the prepaid amount will not be refunded and will be retained by EUROPCAR as compensation.

For the purpose of this section, cancellation of the booking or failure to collect the Vehicle due to Force Majeure means that You are prevented or delayed by reason of war and other hostilities, civil commotion, accident, lock-outs, trade disputes, embargoes or restraints of governments restrictions of imports or exports or any other cause or circumstance beyond Your reasonable (direct or indirect) control.

18. WHAT IF I WANT TO EXTEND MY RENTAL AGREEMENT?

In case You want to extend the Rental Period shown on Your Rental Agreement You should take the following steps:

- Call our Call Centre. Phone: 911 50 50 00
- Go to a Europcar office.
- Carry out a Vehicle check together with a Europcar agent
- Pay the rental as well as any additional charges
- Sign a new Rental Agreement or an addendum to the initial Rental Agreement

If You don't comply with the above-mentioned conditions the terms and conditions of the "Return of the Vehicle" section will apply.

19. WHAT IS THE FUEL POLICY?

You should note that rules applicable to refuelling depend on the country of rental and the type of rental service You have selected. Please check the rules applicable for every rental You make carefully. Please ask Europcar's agent for details of all available options when you collect the Vehicle.

All Vehicles are supplied with a full tank of fuel on collection. Two options may then be made available to you:

1) REFUNDABLE FULL TANK OPTION

- On collection You pay for the price of a full tank of fuel. This price will depend on the Vehicle category.
- If You return the Vehicle with a full tank (proof of refuelling may be required) then Europcar will reimburse you the price of the full tank of fuel paid on collection.

2) FULL TO FULL

- We provide You a Vehicle with a full tank of fuel.
- You return the Vehicle with a full tank of fuel⁽¹⁾.
- You pay nothing for either refuelling or for the fuel⁽²⁾.

⁽¹⁾ The visual tank level indicator will be used as proof of a full tank when returning, in order to consider the tank as full. The tank is considered full if the indicator shows the maximum level (8/8).

⁽²⁾ **If the tank is not full**, you will be charged for fuel following the provisions established in this clause.

Please note that the price per litre and fuel type will be communicated by Europcar's agents at the office when returning the Vehicle.

If you deliver the vehicle with less than three (3) litres of the fuel that it was delivered with, you will be charged based on the visual level of the fuel gauge. The calculation is based on the missing 8th expressed by the gauge if the gauge is divided in 8 levels or according to the scale indicated on the gauge. If the needle is between 2 graduations, the missing 8th will be calculated based on the closest graduation. If the needle is precisely in the middle of 2 graduations, the missing 8th will be calculated based on the highest graduation (in Your favour). For example, you will not be charged in case the vehicle is returned with the gauge at or above 7.5. See below for an example of fuel charge calculation.

If more than three litres are missing when returned, you will be charged for an additional refuelling service charge (please refer to the Recommended Rates Guide). If less than three litres are missing on return, you will not be charged for an additional refuelling service charge. In any case, you will have to pay the price of the missing fuel up to the full tank.

• WHAT SHOULD YOU KNOW ABOUT CHARGING TESLA VEHICLES?

If you rent a TESLA vehicle, you are informed that the price of recharging at TESLA Superchargers will be invoiced to you by Europcar in addition to the rental price, as well as any penalties that may be dued in accordance with the TESLA Supercharger Terms of Use available on the Tesla website (www.tesla.com), including the penalty applicable if you leave the vehicle connected to a Supercharger for longer than the time required to fully recharge it.

The price applicable to these recharges on TESLA Superchargers is indicated on the Vehicle's screen, as well as on the Tesla website (www.tesla.com). This price differs depending on the location of the charger and the date/hour of recharging. Please check these prices before recharging.

The price of these recharges will be invoiced by EUROPCAR within seven (7) working days of the end of the rental contract and charged to the same payment method used to pay for your rental. If your rental lasts 30 days or more, the first invoice for the recharges made during this period will be issued within a maximum of seven (7) working days after the first 30 days of rental. After the first 30 days of rental, the following invoices corresponding to vehicle recharging shall be issued on a weekly basis.

Charging at recharging points other than TESLA Superchargers is entirely at your expense.

Penalties for misuse of TESLA Superchargers.

You will therefore be billed by Europcar for the penalties applied by TESLA for recharging during your rental period.

In order to allow the smoothest possible access to its Superchargers, TESLA applies penalties per minute when the customer leaves his vehicle connected beyond the time required for its full recharging, which is indicated on the vehicle's dashboard when it is connected. The amount of such penalty, as well as any other penalties that may apply, is at the sole discretion of TESLA and is set forth on the Tesla website (www.tesla.com).

20. DO I HAVE TO PAY A DEPOSIT BEFORE COLLECTING THE VEHICLE?

When you collect the vehicle, if the payment method chosen by you for the payment of the rental is by bank card, Europcar will request, before the start of the rental, an authorisation from the bank card issuer for the corresponding amount as a deposit. This amount will be deducted from the authorised spending limit on your payment card. The deposit will cover any additional costs that may arise from the rental, missing fuel upon return of the vehicle, additional days, additional mileage, certain charges).

If you have paid the rental in advance, the amount of the deposit is 500 Euros for Europcar and 800€ for Keddy (or the equivalent in local currency).

If you have not yet paid for the rental at the time of booking, the cost of the rental will also be blocked on your bank card. In this case, the amount blocked on your bank card will be the cost of the rental plus the 500 Euros, or 800€ (or the equivalent in local currency), depending on Europcar or Keddy, respectively.

In any case, the final amount is indicated in the confirmation e-mail sent to you at the time of booking and in the Rental Agreement. Please note that for pre-paid bookings, if you subsequently make additional purchases at the counter, the amount of these additional sales will be added to the deposit amount. The deposit will be refunded to You at the end of Your Rental Agreement if there are no other outstanding costs.

Situation	Deposit release time (after being invoiced)
Payment on return with the same payment card used for deposit	4 working days
Payment on return with another means of payment (cash, other payment card, etc.) than the payment card used for the deposit	4 working days

Prepayment with extras (fuel, additional driver, etc) to pay on return with the card used for deposit	4 working days
Prepayment with extras (fuel, additional driver, etc) to pay on return with another means of payment (cash, other payment card, etc.) than the card used for the deposit	4 working days
Prepayment without any extras, so no payment on the card used for the deposit	4 working days
You have started your rental, paid a deposit and finally change your mind and cancel your rental	Up to 30 days

Notwithstanding the above, in the event that You take out a damage waiver product (SPCDW Protection, Premium Protection, Selection Protection, Plus Protection or Total Premium Protection) the amount of the deposit will be 100 Euros (or the equivalent in local currency) and if You take out the Medium level of protection the amount of the deposit will be 300 Euros.

21. CAN I PAY MY RENTAL WITH A FOREIGN CREDIT CARD?

If You are a foreign hirer holding a Visa or MasterCard credit card (with a base currency other than the Euro) you can benefit from the option of currency conversion to the currency of the card with which you pay your rental. The Europcar agent offering You this facility will enter Your reply into the system and the Rental Agreement will specify the option chosen. In this case, Europcar will take care of the currency conversion, using an exchange rate based on the Reuters index, with 3.25 % exchange fee. If You wish to change Your mind, You can do so by making the appropriate declaration when returning the Vehicle to the Europcar counter and You will be forwarded Your final invoice in Euros. If for any technical reason Europcar is unable to provide this service or if You are a VISA or MasterCard credit card holder who has chosen to pay in Euros, then the conversion into the base currency of the card will be carried out according to Your bank's terms and conditions.
