- **The Deposit:** In addition to the rental price You have prepaid during the booking or that You will pay at the pick-up time or at the check-in) Europcar is requiring You to leave Europcar with some security for any additional charges that may arise during the use of the Vehicle over the Hire Period. In any case, the deposit amount will be reminded at the Europcar station. Should You need any additional information regarding the deposit, please refer to the paragraph 19 below ("Must I pay a deposit before picking up the Vehicle?");

 - (ii) the cost to return the Vehicle to a Europcar station other than the one from which You picked it up,
 - (iii) the extension of Your rental;
 - (iv) usage fee, for rentals in the Autonomous Region of Madeira.

10) WHAT SHOULD I PAY ATTENTION TO WHEN PICKING UP THE VEHICLE?

The payment card used for your booking online must be presented at the station agency at the pick-up time. The surname and first name of the cardholder should be the same as the surname and first name of the driver as defined in Article 2

b) Who can drive the Vehicle.

If You benefit from a discounted rate, You should automatically provide proof of this at the station agency. In the absence of proof, Europcar cannot guarantee the application of the discount to Your booking.

When You pick up the Vehicle from the Hirer You will be asked to sign, among other things, a section of the Rental Agreement that describes the Vehicle's condition at that particular time.

If You notice any apparent defect or Damage that is not described on the Rental Agreement then You should ensure a note is made on the document and that both You and the Europcar agent sign the change made to this section.

For tourism vehicles only, where it is not possible to check pre-existing damage to the Vehicle and any Accessories at the time of pick-up, a grace period allows You to notify the pick-up station of any such damage:

- If the vehicle is picked-up before 8:00 pm: You must notify the pick-up agency of any such damage within 2 hours of the start of the Hire Period;
- If the vehicle is picked-up after 8:00 pm: You must notify the pick-up agency of any such damage before 10:00 am the next morning.

In compliance with the above conditions and outside the opening hours of the agencies, you must report this damage by email, reservas@europcar.com, specifying your contact details, vehicle registration, the number of your rental agreement, the description of the damage(s) and attach photographs of the damage(s).

Failure to request the above mentioned notice for this additional apparent defect or Damage, Europcar is entitled to assume that You have accepted the Vehicle in the condition set out on the Rental Agreement and to charge You for any new Damage that could be noted by You and the Europcar agent when the Vehicle is inspected at the time of its return.

11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

a) Return of the Vehicle during opening hours of Europcar's station

You should return the Vehicle to the Europcar station, at the latest, on the date and at the time shown on the Rental Agreement or, if you have purchased the Late Return Service, within the time window permitted by that Service. You may return the Vehicle to another Europcar station for the cost mentioned on the Recommended Tariff document attached to your confirmation e-mail if you made the reservation through distance means. This document may also be consulted on spot in stations and/or on Europcar website.

The Hire Period will end when You return the Vehicle to the Europcar station and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle at an earliest stage than the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You do return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle restitution damage report.

Europcar shall give You a document where Europcar declares that the Vehicle was regularly returned to Europcar ("**Statement of Return of the Vehicle**").

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle.

b) “Out-of-hours” return Service

Europcar recommends to return the Vehicle during opening hours of its stations. However, to meet the specific needs of some of its clients, Europcar offers, in certain stations, an additional “out-of-hours” service.

If you opt for this “out of hours” service, you accept that the Vehicle condition report can be drawn by the Europcar agent or its representative without your presence and after the drop off the keys.

In stations offering “out of hours” return services, the above-described procedure (see point 11)-a)) was adapted to enable these stations to offer this service in the best possible conditions.

In particular, you are to declare any incident and/or Damage that affects the conditions of the Vehicle on the document that will have been hand in to you to that matter when you picked up the Vehicle.

Depending on the available systems and the information that You will have received from Europcar, this document must be leaved into the Vehicle or returned with the keys in the “keys drop off box” provided for that effect.

Please note that your Rental Agreement does not automatically ends when you drop off the keys: the Vehicle will remain on the parking space where you will have parked it until opening of the Europcar station that will proceed to the inspection of the Vehicle and close your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle on an area provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as aimed by the Highway Code. You must also leave the Vehicle registration papers in the glove box.

Providing that the Vehicle is inspected at a later stage – during opening hours of the station – Europcar recommends you to take photographs of the Vehicle in order to keep evidences of the state of return of the Vehicle once it is parked and before the drop off of the keys.

Once the inspection is made and in the absence of damage, Europcar will send You the Statement of Return of the Vehicle.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle

c) Return of the Vehicle without your presence and during opening hours of Europcar’s station.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorised to inspect the Vehicle itself without your presence and to register your refusal of a contradictory inventory.

The same Procedure as the one described above will applied (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date and place shown on the Rental Agreement or if the Late Return Service was not purchased, two different situations may occur:

- 1- Upon being contacted by Europcar, You declare that you wish to extend the Rental Agreement: in this case, you will be charged the rental amount for each day you keep the Vehicle beyond the rental end date, plus the cost of the ‘Late Return Penalty’.
- 2- Upon being contacted by Europcar, You do not respond or do not intend to extend the Rental Agreement: the Agreement shall be considered immediately terminated and Europcar shall enter in contact with You so that You return the Vehicle within the maximum and non-extendable a period of 24 hour. If, within 24 hours, the Vehicle has yet to be returned and without there being any news regarding the delay in its return, Europcar is entitled to:
 - regard the Vehicle as having been unlawfully appropriated and shall report this to the competent local authorities;
 - charge You the rental charge for each day that You keep the Vehicle beyond the expiry time and date, plus a compensation equal to twice the payable amount, unless You can demonstrate that You have no longer the disposal of the Vehicle through no fault of your own or that the non-restitution of the Vehicle resulted through no fault of Your own;
 - claim to You all the damages and losses suffered by Europcar and all the fines, tolls, penalties or sanctions that falls on the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence;
 - start legal proceedings in order to claim the immediate return of the Vehicle;
 - in addition to the above, in these cases, once the Vehicle has been recovered, Europcar will be entitled to charge additional fees for the process of

recovering the Vehicle, being the amount specified in our Recommended Tariff Guide.

Please note that, in such case, protections and additional contractual services would have no effect.

e) Use of applications and multimedia features accessible in the Vehicle

When You rent a Vehicle, Europcar may collect and process personal data concerning You and the designated Driver(s) (see section 21 below).

Depending on the Vehicle rented, the manufacturer may offer multimedia applications and/or functions accessible from the Vehicle's dashboard (e.g. diary, video and audio streaming applications, entertainment, messaging, etc.) and may also allow you to download your own applications and/or content. When You choose to use these applications or functions, You are free to determine what information You wish to share via these applications. You are also solely responsible for resetting them before returning the Vehicle.

In this respect, You are notably required to:

- disconnect Your accounts from the multimedia applications and features offered in the Vehicle;
- end Your sessions on these applications and features offered in the Vehicle;
- delete and purge all personal data concerning You from these applications and functionalities, including the dashboard, before returning the Vehicle.

Europcar accepts no responsibility if You fail to do this and cannot be held responsible for any subsequent use of Your accounts and/or access to Your data by third parties via these applications or features during a subsequent rental of the Vehicle.

For more information on the conditions under which multimedia applications and functionalities can be reset and Your data deleted, please consult the Vehicle manual available from the dashboard or the manufacturer's website. Europcar strongly advises You not to use these applications and/or functionalities if You are unable to delete all the information concerning You.

12) DAMAGES TO THE VEHICLE

In case of differences between the state of the Vehicle as described upon check-out and the one identified upon return,

you may pay the amount as defined below.

a) Damages identified upon return of the Vehicle and in your presence

If some damages are identified upon return of the Vehicle when the inspection made, in your presence and in the presence of the Europcar agent or its representative, and if You acknowledge the damages by signing the Statement of Return of the Vehicle, Europcar will hand in to You an assessment of repair costs that may be charged to You.

Repair costs vary depending if it is qualified as a Light Damage or not:

- Light Damage (minor insubstantial damage caused to the Vehicle without altering its delivery to the rental and permitting its movement in accordance with the provisions of the Highway Code such as, for instance, without being exhaustive: small scratches; light impacts on windshield), is charged according to the to the Recommended Europcar price list available in any Europcar station and on our website at the following URL address: [Light Damage Recommended Prices](#), which includes vehicle immobilization costs, along with damage administration fees.
- Any other damage not included in the above mentioned Recommended price list and/or other more Serious Damage (substantial Damage impairing the delivery of the Vehicle rentals and requiring its temporary immobilization for repair such as, for instance, without being exhaustive: damages bodywork) will be evaluated by an expert and charged according to the expert's report or a cost estimation made with an auto repair garage.

If You contest Damages and their invoicing by refusing to sign the statement of return of the Vehicle, Europcar will apply the procedure described below (see article 12)-b).

b) Damages identified in case of an out-of-hours return and without your presence.

If Damages are identified during the inspection of the Vehicle by a Europcar Agent or its representative without your presence, Europcar will send to you the following documents:

- Statement of Return of the Vehicle describing all Damages identified;
- pictures of Damages;
- an estimate (quote) of the costs of repair that will vary depending of the nature of the Damage (see above, article 12)-a) paragraph 2) and the Vehicle immobilization and administration fees for the treatment of the Damage.

You will be able to challenge Damages identified and their invoicing within 14 calendar days after the sending (by email or regular letter) of the documents, at the following address: damages.pt@europcar.com or

Rua dos Malhões, nº 2 Piso 3 – Direito, Edifício Q55 - D. Diniz, Quinta da Fonte, 2770-071 Paço de Arcos.

If you fail challenging or justifying within the above mentioned period of 14 days, Europcar reserves the right to invoice you the identified costs.

c) Common rules

Please note that depending upon the Damage suffered by the Vehicle and the type of protection You have subscribed to with Europcar (see the Europcar Insurance & Protections Provisions attached to Your confirmation email or available from all Europcar stations and/or on Europcar's websites) You may or may not be charged for the full or for the partial amount of the cost of repair.

In any case, you will be able to challenge Damages and their invoicing by acting before the competent jurisdictions pursuant to dispositions of article 23 (*"What happens in case of dispute related to my rental?"*).

13) WHAT IS EXPECTED OF ME REGARDING THE VEHICLE MAINTENANCE?

During Your rental you must take any protective actions necessary to keep the Vehicle in the same condition as that in which you have taken possession.

You should remain alert to any signal from the warning lights on the Vehicle's dashboard and take any necessary protective actions.

The Vehicle is provided to You with tyres in a condition and number meeting the traffic-legislation requirements. In the event of damage to one of them other than by ordinary wear and tear, latent defect or force majeure, You undertake to replace it immediately at Your own expense with a tyre of the same size, type and brand.

Any modification to or mechanical interventions on the Vehicle are forbidden without Europcar's prior written authorisation. Should this rule be breached, you must bear the duly justified costs of restoring the Vehicle in the same state in which you have taken possession.

You will be liable towards Europcar for any detrimental consequence arising out of any infringement to the abovementioned maintenance obligations.

If You rent an Electric Vehicle, You must also use only the cables supplied by Europcar for recharging. Any recharging carried out with any other cable may engage Your responsibility in the event of damage arising as a result.

If You rent a cable from Europcar that also allows recharging from a domestic socket (additional service), You must ensure that your electrical installation complies with the standards in force and the requirements defined by the car manufacturer before proceeding with any recharging. Failing this, and in the event of damage, You will be held liable.

14) WHAT SHOULD I DO IN CASE OF ACCIDENT, MECHANICAL BREAKDOWN OR THEFT?

- In case of mechanical breakdown or accident which prevents you from continuing your travel and/or obliges you to stop Vehicle to prevent any breakdown, you are provided with an assistance service, included in the price of your rental. The terms of this assistance are set out in Appendix 1 of the present T&Cs;
- In case of accident, as soon as You will have been aware or You will have the capability and within five (5) business days at the latest, You shall (i) report the accident to the Europcar pick-up station (or the assistance service) and call the local police authorities and (ii) file an amicable declaration of motor vehicle accident.
- In those cases, you should call the assistance service which is included in your rental price. The assistance service number is the one displayed inside the windshield of the Vehicle.

15) WHEN SHALL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive an invoice once all elements of Your rental have been settled and no earlier than the day after the Vehicle return date.

You will pay or be charged the full amount in one or in several lots depending on the situation.

- You may decide to prepay (prepayment of your booking made online, via our call center or at the Europcar station) Your rental which will include the daily rental charge of the Vehicle and accessories for the Hire Period and for any additional mobility services. Your means of payment will be

debited by the agreed amount. You will receive an invoice or a receipt for that prepayment. In addition, the prepaid amount will be mentioned on the final invoice and deducted from the eventual total amount (still) to be paid;

- If You decide not to prepay Your rental at booking time, the amount of the deposit plus the rental charges for the Vehicle and any accessories, any additional services or drivers or protections You decide to take out before You take the Vehicle away will be shown on the Rental Agreement that You will have to agree and sign before picking up of the Vehicle. The final and global cost of your rental will be charged and invoiced at the time of return of the Vehicle at the end of the Rental Period.

Any additional fees or charges will be charged when You return the Vehicle (if they can be calculated at that time).

If You have incurred extra costs such as fines or tolls or caused Damage to the Vehicle identified without your presence. In this case, all these administrative fees (damage management fees, fines and tolls administrative fees), Europcar will charge You, when Europcar becomes aware of them.

In this respect, you will have a fourteen (14) days period starting from the date of sending (by email or regular letter) of the notification of billing to challenge and justify not being the author of the fees at the following address: damages.pt@europcar.com or

If the Rental Agreement is signed under a Corporate Agreement, the company is jointly liable with You for the payment of the invoice.

16) WHAT IF I WANT TO CANCEL OR MODIFY MY BOOKING?

a) Modifications

Unless you have chosen a non-refundable and non-changeable tariff ('Light Package'), You can modify Your booking, free of charge, provided You let Europcar know **at least 48 hours before** the rental is due to start.

Please be aware that new rental prices may apply if You modify Your booking and You should always use the same communication channel that You used when booking the Vehicle in the first place. Alternatively, You can call our Call Centre on 21 940 77 90 (price of a local call).

b) Cancellation and No show of refundable and changeable tariffs

- **Cancellation** – You can cancel Your booking free of charge provided that You have given Europcar at least 48 hours' notice before the rental is due to start;
- **Late cancellation** – If You cancel giving Europcar less than 48 hours' notice, a penalty of up to €50 might be applied. The amount of this fee shall not exceed the price of Your rental if it is lower. In case of prepaid booking, the prepaid amount will be refunded less a late cancellation fee. In the event of a non-prepaid reservation, the penalty will be deducted from the mean of payment You have provided. In case of a non-prepaid reservation and in the absence of any payment details provided, you remain liable for the late cancellation fee;
- **No Show** - If you have not cancelled your booking with at least 48 hours' notice before the rental is due to start, and You fail to come to the Europcar station agency to pick up the Vehicle after 24 hours from the rental start time indicated in the reservation, your booking will be automatically cancelled and a No show fee of up to €95 will be applied. If the price of Your rental is lower than the No show fee, the No show fee's amount will be equal to the price of Your rental. In case of prepaid booking, the prepaid amount will not be refunded. In the event of a non-prepaid reservation, the penalty will be deducted from the mean of payment You have provided. In case of a non-prepaid reservation and in the absence of any payment details provided, you remain liable for the "No show" fee, unless "Force Majeure" (as defined here below) can be proven;
- Under this section, You will not be held responsible in the event of cancellation of the reservation or failure to pick up the Vehicle due to the occurrence of an event of Force Majeure.

Legally, there is Force Majeure when an event beyond Your control, which could not be reasonably foreseen at the time of the conclusion of the contract and whose effects cannot be avoided by appropriate measures, prevents You from

executing the rental contract. If You invoke it, it will be up to You to establish that the event actually constitutes a case of Force Majeure.

Please note that strikes, delays or cancellations of Your means of transport (train, plane, etc.) are not considered events of Force Majeure and do not exempt You from additional costs for late cancellation or no show.

c) Cancellation and No show of non-refundable and non-changeable tariffs: 'Light Package'

Non-refundable prepaid reservations under the 'Light Package' Tariff cannot be cancelled and/or modified. If You have made a reservation under the 'Light Package' Tariff, You will not be allowed to change, modify or refund the booking, and no changes will be permitted before or after pick-up. If You cancel your reservation or if You do not pick up the vehicle at the Europcar station agency at the scheduled time (No Show), the prepaid amount will not be refunded and will be retained by Europcar.

17) WHAT IF I WANT TO EXTEND MY RENTAL AGREEMENT?

Excluding cases covered by the Late Return Service, in case you want to extend the Hire Period shown on Your Rental Agreement You should take the following steps:

- Give a call to the Europcar station of check-out;
- Go to the nearest Europcar station;
- Carry out a check of the Vehicle together with a Europcar agent;
- Sign an amendment to the Rental Agreement or a new Rental Agreement, according to the situation;
- If You want to change your rental conditions, besides signing a new Rental Agreement, You will have to pay the former rental and additional charges.

Please note that if the extension of the Rental Agreement implies that its total duration is equal to or greater than 28 days, the Limited Mileage rate will apply to the entire Hire Period and Europcar will charge you for each extra kilometer in accordance with the Recommended Tariff Guide.

If You don't comply with the above mentioned conditions and keep the Vehicle, the terms of article 11 d) "*Late Return of the Vehicle*" will apply.

18) WHAT IS THE FUEL POLICY?

You must be aware that rules applicable to fuelling and refuelling depend on the country of rental and the type of rental product You have elected. Please check carefully the rules applicable for every rental You make.

All Vehicles are supplied with a full tank of fuel. The following situations may then arise:

18.1. Thermal and/or hybrid vehicle (as far as the fuel part is concerned)

Two options may then be made available to You:

18.1.1 Full to full

We provide You with a Vehicle with a full tank of fuel. You have to return the Vehicle with a full tank of fuel.

- If You return the Vehicle with a full tank of fuel: You pay nothing for either refueling charge or fuel.
To consider the tank is full, the visual level of the gauge will be used as a proof of full tank. The tank is considered full if the fuel is at maximum level.
- If the Vehicle is not returned with a full tank of fuel: You will be charged for the cost of the missing fuel. Please note that the price per liter and fuel type will be communicated by Europcar's agents at the agency when returning the Vehicle.

If more than three liters are missing when You return, You will be charged for an additional refueling service charge (please refer to the Recommended Tariffs Guide). If less than three liters are missing when You return, you will not be charged for an additional refueling service charge.

18.1.2 Refundable Full Tank Option

- At pick up You have the possibility to pay for the price of a full tank of fuel, which will depend on the Vehicle category.
- If you return the Vehicle with a full tank of fuel (proof of refuelling may be required) then Europcar will reimburse you the price of the full tank of fuel paid at pick up.

If you return the Vehicle with a fuel tank that is not full to its maximum capacity, Europcar will not reimburse You for any unused fuel.

18.2. Electric and/or plug-in hybrid vehicle (for the Electricity part)

18.2.1. Full to full

In the case of rental of an electric vehicle, the Vehicle will be returned to you with a minimum charge level of 80% on departure from the rental agency. Upon return, the Vehicle must be returned with a battery charge level of at least 80%. Should the Vehicle be returned with a charge level lower than stipulated, You will be charged for an additional recharging service charge (please refer to the Recommended Tariff

Guide).

If you are renting a Plug-In Hybrid (gasoline/electric) Vehicle, the Vehicle will be returned to you upon departure from the rental agency with a full tank of fuel and a minimum charge level of 80%.

When you return the Vehicle, as regards the fuel, the provisions set out in 1/ above will be applied depending on the option you have chosen.

With regard to electricity, in the case of Plug-In Hybrid Vehicles, no minimum charge level will be required when you return your Vehicle.

18.2.2. Full battery

When picking up the Vehicle, You pay the price of a full battery charge. This cost depends on the Vehicle's battery capacity. In this case, You can return the Vehicle regardless of the level of electricity it has at the time. Europcar will not charge you any additional amount, but will not reimburse you for unused energy.

19) MUST I PAY A DEPOSIT BEFORE PICKING UP THE VEHICLE?

When You pick up the Vehicle, You grant a credit card authorization for a deposit.

The deposit is intended to cover additional rental costs.

If You have paid for your rental in advance, the amount of the deposit is:

- €100 for vehicles booked reserved with a protection which reduces the damage excess to €0;
- €300 (or the equivalent in local currency) for passenger tourist vehicles;
- €800 (or the equivalent in local currency) for vehicles booked reserved with Keddy by Europcar;
- €1000 (or the equivalent in local currency) for any vehicle in the 'SPECIAL' category, identified by SIPP codes beginning with the letter 'X'.
- €3000 (or the equivalent in local currency) for any vehicle in the 'PREMIUM' & 'LUXURY' category, identified by SIPP codes beginning with the letters 'P', 'U', 'L' or 'W'.

These amounts may be reduced to:

- €100 for passenger tourist vehicles booked reserved with a protection which reduces the damage excess to €0;
- €500 for any vehicle in the 'SPECIAL' category booked reserved with a protection which reduces the damage

excess to €0;

- €1000 for any vehicle in the 'PREMIUM' & 'LUXURY' category booked reserved with a protection which reduces the damage excess to €0;

If You have not already paid for your rental when You made the reservation, the rental cost will also be blocked to your credit card. In this case, the amount blocked to your credit card will be the rental cost plus the deposit amount.

In any case, the final amount is specified in the confirmation email sent to You at the time of your booking and in the Rental Agreement. Please note that for prepaid booking, if You subsequently make additional purchases at the desk, the amount of these additional sales shall be added to the sum of the deposit.

If no additional rental costs are identified, then the deposit will be refunded within the period agreed between You and Your bank.

The deposit shall be executed by You or any authorized driver and You shall use the same credit card that was used by You at the time of the booking.

In the case of vehicle rentals in the 'SPECIAL', "PREMIUM" or 'LUXURY' categories (identified by SIPP codes beginning with the letters X, P, U, L or W), two bank credit cards must be presented to constitute the deposit.

20) CAN I PAY MY RENTAL WITH A FOREIGN CREDIT CARD?

If You are a foreign hirer holding a Visa or MasterCard credit card (with a base currency other than the Euro) You can benefit from the currency conversion facility into the card's base currency when paying for Your rental. The Europcar agent offering this facility to You will enter Your reply into the system and the Rental Agreement will specify the option chosen. In that case, Europcar will take care of the currency conversion, using an exchange rate based on the Reuters index, with 3,25% exchange fees.

If You wish to change Your mind, You can do so by making the appropriate declaration when returning the Vehicle to the Europcar counter and will be forwarded Your final invoice in Euros.

If for any technical reason Europcar was to be unable to provide this service or if a You hold a VISA or MasterCard credit card opted to pay in Euros, then the conversion into the base currency of the card would be carried out according to the conditions of the Your bank.

It also includes damage caused by the interruption of any professional activity associated with bodily injury, death and/or property damage to third parties.

Vehicle damage or theft

The Vehicle itself may be damaged as a result of an accident or attempted theft and need to be repaired, or it may be so damaged that it is irreparable and has to be written off as a total loss, or it may be stolen and not recovered.

You should bear in mind that if you are the driver of the Vehicle at the time of a collision and are responsible for it, while any injured Occupants will be covered by our Liability Insurance, your own bodily injury (as well as possible consequences thereof) or death will not. You may, however, be protected against such occurrences if you take out any of our Personal Accident Insurance products separately. Details of how this Personal Accident Insurance cover can benefit you and your Occupants are available below, in the Section entitled 'Other products'.

DEFINITIONS

For the purposes of this document, the following words or expressions have been assigned the following meaning:

Bodily injury (or bodily harm): means any physical injury suffered by a person that is the direct cause of an accident; it does not include

injuries that are intentionally self-inflicted or that may result from any illness or disease.

Accident Statement: means the full and complete signed statement (including any other document(s)) recording all the facts of an accident or incident as they occurred (for example, how the accident occurred, the type of damage caused to the Vehicle, the place, date and circumstances in which the incident took place and details of any witnesses), in particular the Motor Vehicle Accident Statement.

Franchise: is a certain amount of money which, provided that you have complied with the local Rental Terms and Conditions and have not violated any applicable law, corresponds to the maximum amount that we will charge you for each claim that occurs with the Vehicle during the rental period or for each attempt to steal it; or for the loss of the Vehicle, in the event of a total loss because it is irreparable; or in the event that it is stolen, because it could not be recovered. The excess is a non-refundable amount which is regulated by the conditions of the protection product you have purchased.

We or us/our or ours: means Europcar Portugal

Occupant: means any person other than the driver who is carried or travelling free of charge in the Vehicle. An occupant will be considered a Third Party under the compulsory Civil Liability Insurance scheme.

Loss of Use: corresponds to the period in which the Vehicle is not available for hire to another customer because it was damaged during the period in which it was rented to them and had to be sent for repair.

Protection: in this document means the means by which your liability for damage to or loss of a Vehicle is limited to the amount of the excess. Please note that this protection is not provided through an insurance policy.

Civil liability insurance: means insurance that offers the driver of the Vehicle protection for civil liability arising from Third Party claims for material damage, bodily injury or death resulting from an incident. Third party cover is a mandatory legal requirement and is therefore an integral part of our rental service. Its cost is included in the rental price.

Third: means any party to an incident other than the driver of the Vehicle. For the avoidance of doubt, an Occupant is considered a Third Party.

Local Hire Terms and Conditions: means the document that must be signed by you before you rent a Vehicle from us and which determines the rights and obligations that apply to you and us throughout the rental period.

Misuse: means that the use of the Vehicle under your responsibility does not comply with the Rules of the Road Code and other applicable legislation; and/or does not comply with the terms and conditions of the Local Hire Contract; and/or does not comply with the driving standards that would be expected of any reasonable and prudent driver.

Book Value: means the amount for which a Vehicle is registered in our accounts on the date of the incident.

Vehicle: means the vehicle you rent to us.

You/yours/yours/yours: means any authorised driver.

CIVIL LIABILITY INSURANCE

We are required by the laws of all the countries in which we provide Our car hire services to protect Our vehicles with third party liability insurance. We take out liability insurance with the main insurers in the industry and this is automatically included as part of Our car hire services. You are covered from the outset under the terms and up to the amount legally required by the country in which You rent the Vehicle for any consequences that others may suffer as a direct result of Your actions while driving the Vehicle.

What is included in the cover?

As required by law, You will benefit from civil liability insurance that covers any property costs that, as a result of an incident caused by You, may arise as a result of:

- bodily injury or death suffered by a Third Party; and
- material damage suffered by a Third Party, as well as the costs and losses arising from such damage.

What is excluded from cover?

Civil Liability Insurance does not cover:

- Bodily injury or death that You (the driver at the time of the accident) may suffer; or
- any material damage to or loss of Your belongings or personal property or that of Your spouse or lineal relative;
- any damage caused to the Vehicle.

How much exposure do I have to civil liability?

Provided You have not violated any applicable law (including any rule of the Highway Code or other road legislation) and have not misused the Vehicle, You will be covered up to the amount legally required by the country in which You rented the Vehicle, for the property costs arising from Third Party Liability resulting from an accident You may cause.

However, if You have failed to comply with any of these laws and/or regulations, even though Our insurer fulfils its obligations to Third Parties under the Third Party Liability insurance policy, it will be entitled to reimburse You for all or part of the costs You may have paid to that Third Party as a result of the incident.

How to notify us?

In situations involving third parties, it is very important that you fill in the appropriate form and sign the Motor Vehicle Accident Claim Form containing all the circumstances of the accident and the details of the third party. This document will enable us to defend you against the third party (if you are responsible for the accident) or to obtain compensation from the third party (if the third party caused damage to the vehicle). The Motor Vehicle Accident Claim Form must be sent

to Us within 5 working days of the incident or as soon as reasonably possible under the circumstances.

COMPLEMENTARY PROTECTION PRODUCTS

PROTECTION AGAINST DAMAGE AND THEFT

Our damage and theft protection product limits Your property risk for damage caused to the Vehicle while it is in Your care, as well as for the loss of the Vehicle if it is stolen or damaged due to an attempted theft.

Our standard Theft and Damage Protection product ('BASIC') is included in the rental price and, provided You comply with all applicable laws and the local Rental Terms and Conditions, You will not be liable for any damage that exceeds the value of the Excess.

If you wish, you can purchase the 'MEDIUM' Damage and Theft Protection product, which reduces the value of the excess, as well as benefiting from Personal Accident ('PAI') cover.

If you wish to completely exclude the value of the excess and if you are aged 19 or over, you can purchase the 'PREMIUM' product, thus benefiting from Damage and Theft Protection, with no excess (except for goods vehicles where a reduced excess applies), and you will also benefit from Personal Accident cover.

If you are over 19, you can purchase the 'PREMIUM PLUS' product and avoid paying for any damage or excess (except for goods vehicles where a reduced excess applies). You will benefit from Premium Protection Plus coverage, including Medium, Premium, Glass, Headlight and Tire Protection (WWI) and Super Personal Accident Coverage (SPAI), as well as Emergency Management Service (EMS) and Interior Protection.

What is included in this protection against Damage and Theft?

This product limits Your liability to pay up to the value of the Excess:

- the value of the damage or repair to the Vehicle or its Book Value in the event that the Vehicle is not repairable and is reported as a total loss; and
- Our Loss of Use of the Vehicle whilst it is being repaired and/or written off as a total loss; and
- the administrative costs we may incur in connection with any claim, if applicable.

As a result of any of the following circumstances:

- collision with a fixed or moving object; or
- the Vehicle is the object of an act of vandalism while you are driving or using it; or
- the windows, headlights or reflectors are damaged or broken, or the tyres are damaged or punctured; or
- the Vehicle and/or any of its components (including any additional component installed in or on the Vehicle which improves its specifications) is stolen following a break-in; or
- there is an attempted theft or robbery of the Vehicle and any of its accessories or components; or
- the Vehicle is the object of any act of vandalism while parked and left unattended by You.

What is excluded from this protection against Damage and Theft?

You will be liable for the full amount of the damage if it is caused by:

- by intentional acts of the driver; or
- an explosion or fire in the Vehicle resulting from the fact that You used it for the transport of dangerous goods (dangerous goods being any product or substance which, due to its nature and/or main characteristics, is reasonably considered dangerous and which, if not transported with appropriate safety and protection may cause damage to the Vehicle, and to any Third Party within a reasonable distance of the Vehicle); or
- by Your negligence (behaviour below the standard expected of a reasonably reasonable person in similar circumstances) or by the negligence of Your Occupants (for example, a fire caused by the use or putting out of a cigarette or cigar);
- The following situations are considered negligent: o Vehicles returned with damage to the upper roof or lower base; o Any damage resulting from abandonment of the vehicle following a claim.

or if the keys are lost or stolen. This product will also not protect You in the event that:

- the Vehicle is stolen, stolen or damaged due to Your negligence or, more specifically (but without limitation), as a result of the keys having been left in the Vehicle while it was unattended; the anti-theft system not having been properly used;
- failure to return the keys to Us; or leaving the Vehicle unlocked when not in use;
- theft, robbery or damage to any personal and/or work-related property or belongings and any property carried in or on the Vehicle.

What should I do to benefit from this protection against damage and theft?

You should:

- Comply with the local Rental Terms and Conditions and all laws and rules of the Highway Code and other applicable legislation when driving the Vehicle.
- In the event of an accident, inform Us within 5 working days from the incident or as soon as reasonably possible under the circumstances. You must also send Us a completed and signed statement and/or the police incident report (as applicable) and/or any other documents recording the facts as they occurred (for example, how the accident took place, the type of damage caused to the Vehicle, the location, date, and circumstances of the incident, and the details of any possible witnesses). You may, of course, include any other documents you consider useful to support your position.
- In the event of theft, report any incident or event to the local police authorities immediately or as soon as reasonably possible and send Us the police report or other documentary evidence proving that the theft was reported to the police authorities.
- Inform Us within 24 hours after noticing the absence of the Vehicle and return the keys to the station where you collected the Vehicle.

What is the level of my asset exposure?

If, during Your rental period, the Vehicle is damaged and You have not purchased this protection, You will be required to pay the full cost of the damages. For minor damages, we will calculate the respective cost based on the matrix table, which can be consulted at www.europcar.pt. If the damage is not listed in the matrix table (because it does not fall under what we consider "minor damages"), the cost will be assessed by an independent expert and may amount to the Accounting Value.

If, during Your rental period, the Vehicle is stolen or damaged in an attempted theft or due to an act of vandalism and You have not purchased this protection product, You will be responsible for the total cost of the damages (if the Vehicle is recovered) or the Accounting Value if the Vehicle is not recovered.

However, provided that You have complied with the local Rental Terms and Conditions, applicable traffic laws and regulations, as well as the notification procedures, the maximum amount You will be required to pay Us will be the Excess.

If You purchase the MEDIUM product, in addition to benefiting from Damage and Theft protection as mentioned above, You will also benefit from Personal Accident Insurance (PAI) coverage under the following terms.

The following provisions are for informational purposes only and do not replace or take precedence over the terms and conditions of the Personal Accident Protection Insurance policy, as set out in the AXA Corporate Solutions insurance policy (PAI no. XFR0078448GP), which can be found reproduced at <https://www.europcar.pt/seguro-protecao-acidentes-pessoais>.

This insurance provides coverage for medical expenses resulting from bodily injuries sustained; and/or a fixed indemnity amount in the event of permanent disability or death following a collision (or an accident).

What is included in the coverage?

Under this protection, you may claim the amount for some of the possible consequences resulting from your death or bodily injury following a collision that occurs while you are driving the Vehicle:

- Payment of a fixed amount up to a maximum of €50,000:
 - o In the event of your death (or presumed death) within 24 months from the date of the collision or incident; or
 - o In the event of permanent disability, either total or partial, as a result of the collision or incident.
- Payment of medical expenses up to a maximum of €2,500 (including hospitalisation, consultations, and medication; X-rays and relevant medical exams; dental treatments or prosthetics) that are necessary as a result of the collision or incident.

If you and/or your Occupants are victims of a collision during the rental period, provided that you have purchased this product (which will apply to you and all the Occupants of the Vehicle), you may make a claim, regardless of who is at fault for the accident. Thus:

- The Occupants and a "non-negligent" driver (both considered Third Parties under the mandatory Civil Liability Insurance) can be compensated by the insurer under the Civil Liability Insurance, but may also claim the fixed indemnity amount they are entitled to under the Personal Accident Protection insurance product.
- Occupants transported by a "negligent" driver are considered Third Parties under the mandatory Civil Liability Insurance and, as such, can be compensated by the insurer under the Civil Liability Insurance, but may also claim the fixed indemnity amount they are entitled to under the Personal Accident Protection product. However, the "negligent" driver will only be covered by the Personal Accident Protection insurance product.

What is (mainly) excluded from the coverage?

This Personal Accident Protection Insurance does not cover:

- Any amounts above those indicated if such expenses were not incurred as a direct result of the collision or incident that occurred while you were in control of the Vehicle, or if you intentionally caused or contributed to the accident or collision; or
- Any amounts related to treatments you were receiving or medical issues you were suffering from before the occurrence of the accident or incident; or
- Any material damage or loss related to your personal belongings or material goods; or any damage caused to the Vehicle.

You can find complete information about the coverage offered by this Personal Accident Protection Insurance here:

www.europcar.pt/seguro-protecao-acidentespessoais.

What is the level of my asset exposure?

Provided that you have not violated any applicable law (including any rules of the Highway Code or other road legislation, particularly regarding the use of seat belts and the maximum number of passengers allowed in the Vehicle – for example, if 7 people are injured in a 5-seater vehicle, the Personal Accident Protection will simply not apply), you will be entitled to protection up to the indemnity limit mentioned above.

However, if you have violated any of these laws and/or regulations, our insurer may refuse coverage, or, if it is proven that you were partially responsible for the injuries sustained in the collision or incident, the insurer may reduce its liability for the costs.

How to notify Us?

It is important that you complete and sign the Accident Claim Form, which will be provided upon request. This document will give Us all the details of the incident and enable Us to ensure that your claim is processed in the most efficient way possible. The Accident Claim Form must be sent to Us within 5 working days after the collision or incident.

If you purchase the PREMIUM or the PREMIUM PLUS products, in addition to benefiting from protection against Damage and Theft, as previously mentioned, you will also benefit from the Super Personal Accident Coverage (SPAI) under the following terms.

The following provisions are purely informative and do not replace or take precedence over the terms and conditions of the Personal Accident Protection Insurance policy, which are set out in the AXA Corporate Solutions insurance policy (SPAI No. XFR0078449GP), which can be found reproduced at www.europcar.pt/seguro-super-protecao-acidentes-pessoais. This offers coverage for medical expenses resulting from bodily injury; and/or a fixed indemnity amount in the event of disability or death following a collision (or accident).

What is included in the coverage?

Under this protection, you may claim the value of some of these possible consequences resulting from your death, bodily injury, property damage, or the loss of your personal belongings following a collision that occurs while you are driving the Vehicle:

- A fixed amount payment up to a maximum of €200,000:
 - o In the case of your death (or presumed death), within 24 months from the date of the collision or incident; or
 - o In the case of permanent total or partial disability as a result of the collision or incident.
- Payment of medical expenses up to a maximum of €10,000 (including hospitalization, consultations and medication; X-rays and relevant medical exams; dental treatments or prostheses) that resulted from the collision or incident;
- Loss, damage, theft or destruction of your travel bags and luggage and the personal items contained therein up to a maximum of €5,000, as a result of the collision or theft. Personal items include valuables of €500 or more (e.g., jewellery or furs), as well as computer equipment (laptop or tablet – subject to specific exclusions), cameras, or personal hi-fi equipment. The coverage does not apply to the cargo of the van when the rented vehicle is a commercial or industrial vehicle.

If you and/or your Occupants are victims of a collision during the rental period, provided that you have purchased this product (which will apply to you and all Occupants of the Vehicle in this case), you may file a claim, regardless of who is at fault for the accident. Thus:

- The Occupants and a "non-at-fault" driver (both considered Third Parties under the mandatory Civil Liability Insurance) may be compensated by the insurer under the Civil Liability Insurance, but they may also claim the fixed indemnity amount to which they are entitled under the Super Personal Accident Protection product;
- Occupants transported by a "at-fault" driver are considered Third Parties under the mandatory Civil Liability Insurance and, as such, may be compensated by the insurer under the Civil Liability Insurance, but they may also claim the fixed indemnity amount to which they are entitled under the Personal Accident Protection product. However, the "at-fault" Driver will only be covered by the Super Personal Accident Protection Insurance product.

What is (mainly) excluded from the coverage?

This protection does not cover:

- Any goods stored in the cargo of a commercial or industrial vehicle.

- Any amounts mentioned above if such expenses were not incurred as a direct result of the collision or incident that occurred while you were in control of the Vehicle, or if you intentionally caused or contributed to the accident or collision;
- Any amounts related to treatments you were receiving or medical issues you were suffering from prior to the occurrence of the accident or incident;
- The value of loss, destruction, or damage to your luggage if it is:
 - Caused by natural wear and tear, depreciation, inherent defects, or accidents involving cigarettes;
 - Stolen as a result of: failing to close and lock the Vehicle; leaving luggage in the Vehicle overnight; or leaving it unattended in a public place. Loss of valuable items and/or laptops will not be covered if left unattended in the Vehicle at any time;
 - A mobile phone.
- Any damage caused to the Vehicle.

What is the level of my asset exposure?

As long as you have not violated any applicable law (including any provisions of the Highway Code or other road legislation, particularly those related to the use of seat belts and the maximum number of occupants allowed in the Vehicle – for example, if 7 people are injured in a 5-seater vehicle, the Super Personal Accident Protection will simply not apply), you will be entitled to protection up to the indemnity limit mentioned above. However, if you have violated any of these laws and/or regulations, our insurer may refuse coverage, or if it is proven that you were partially responsible for the injuries sustained in the collision or incident, the insurer may reduce your liability for the costs.
