Europcar Mobility Group opens car rental location at Hamburg-Bergedorf train station

Europcar Mobility Group Germany has been operating a new station in Hamburg-Bergedorf since November 1, 2026. The location is Bergedorfer Strasse 85, right next to Bergedorf train station.

Which vehicles does the new Europcar station in Hamburg-Bergedorf offer?

The new location covers the full passenger car range, from compact cars for city traffic to premium models. Vans and commercial vehicles up to the long-wheelbase Sprinter are available for moving, on-site jobs and delivery runs. Larger trucks can be arranged by the team on request. The station is open from 7 a.m. to 6 p.m. on weekdays and from 8 a.m. to noon on Saturdays.

"Bergedorf brings industry, skilled trades and residential neighborhoods together in a small area, and that is exactly the mix we serve here. We have the right vehicle for a short weekend trip as well as for a multi-day installation job," says Akschey Kakar, station manager at Europcar for the Hamburg-Bergedorf location. "We will also be a fast and reliable partner for the many repair shops and car dealerships in the immediate neighborhood whenever they need accident replacement or courtesy vehicles on short notice."

How can customers reach the Hamburg-Bergedorf location?

Bergedorfer Strasse forms part of federal highway B5, one of the main traffic arteries in the southeast of Hamburg and runs directly past the station. The B5 connects to the A25 autobahn within a few minutes. Anyone traveling by public transport is best served by Bergedorf train station, where S-Bahn trains, regional trains and several HVV bus lines stop. The location is just a short walk from the platform.

The catchment area of the station includes the Bergedorf/Lohbrügge commercial district, the adjacent residential neighborhoods and the

surrounding region in the Vier- und Marschlande and southern Schleswig-Holstein.

What does the location offer trades, businesses and fleet customers?

The new station serves private and commercial customers alike. Private customers find vehicles for everyday use, weekend trips or moving. Small and medium-sized companies in the region benefit from attractive long-term rentals and tailored fleet solutions. The location also gives the machinery and plant engineering firms strongly represented in Bergedorf, along with companies in medical and measurement technology, a reliable basis for their mobility needs. Skilled trade businesses can access additional vans on short notice when order volumes peak. The team on site advises customers in person and puts rental solutions together individually.

All vehicles, prices and booking options for the location are available online.

About the Europcar Mobility Group

Europcar Mobility Group is a global mobility player, with over 75 years of mobility services expertise and a leading position in Europe.

“We help to change the way you move” is what we stand for and brings us together. More than ever, we're committed to delivering simple, seamless, innovative solutions that make mobility easy, enjoyable and increasingly eco-friendly.

To do this, we offer to individuals and businesses a wide range of car and van rental services, be it for a few hours, a few days, a week, a month or more, on-demand or on subscription, relying on a fleet of more than 250.000 vehicles, equipped with the latest engines including an increasing share of electric vehicles.

Our brands address differentiated needs, use cases and expectations: Europcar® - a global leader of car rental and light commercial vehicle rental, Goldcar® - a frontrunner at providing low-cost car rental services in Europe, and Fox-Rent-A-Car®, one of the main players in the car rental market in the US, with a "value for money" positioning.

Customers’ satisfaction is at the heart of the Group’s ambition and that of our more than 8,000 employees, everywhere we deliver our mobility solutions, thanks to a strong network in over 130 countries (including 14 wholly owned subsidiaries completed by franchisees and alliance partners).
